[Shotgun Parts](#) > [Magazine Tube Parts](#) > [Magazine Tube Extensions](#)

Increased Round Capacity for Mossberg Shotguns

Short, screw-on magazine extensions add one or two additional rounds to tactical and sporting shotguns without increasing overall gun length. Replaces factory magazine cap with no permanent modifications. Machined from solid steel bar stock for a much stronger system to resist dents. Included sling loop can be installed for left- or right-handed shooters. Includes a smooth feeding stainless steel follower for enhanced reliability. Available for Mossberg 590A1 shotguns. Note: Will not work with Mossberg 590 Shockwave firearms.

MOSSBERG 590 Shotgun Magazine Tube Extension Safety Instructions

Introduction

Thank you for choosing the MOSSBERG 590 Shotgun Magazine Tube Extension from VANG COMP SYSTEMS. This product is designed to enhance your shotgun's capacity while maintaining safety and reliability. Please read this safety instruction guide thoroughly to ensure safe and proper use of your magazine extension.

General Safety Guidelines

- Ensure that the shotgun is unloaded before installing or handling the magazine tube extension.
- Always handle firearms with care and treat every gun as if it is loaded.
- Use the magazine extension only with compatible models, specifically the Mossberg 590A1. It is not suitable for use with Mossberg 590 Shockwave firearms.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the magazine extension for signs of wear or damage. Do not use if damaged.
- Follow all local, state, and national laws regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Use only 12 gauge ammunition with this magazine extension.
- Ensure the magazine extension is securely attached before firing the shotgun.
- Do not exceed the recommended capacity of the shotgun by adding too many rounds.
- Always wear appropriate eye and ear protection when firing the shotgun.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any malfunctions while using the shotgun, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Remove the factory magazine cap by unscrewing it counterclockwise.
- Attach the magazine tube extension by screwing it onto the magazine tube until secure.
- Install the included stainless steel follower and extended magazine spring according to the manufacturer's instructions.
- If desired, install the included sling loop for left or righthanded shooters.

2. Usage:

- Load the shotgun with the appropriate 12 gauge ammunition.
- Ensure that the magazine extension is functioning properly before use.
- Always check the chamber and magazine for any obstructions before firing.
- After use, clean and maintain the shotgun and magazine extension as per the manufacturer's guidelines.

Disposal Instructions

- Dispose of this product in accordance with local regulations regarding the disposal of firearm accessories.
- If the magazine extension is damaged beyond repair, consider recycling the metal components where possible.
