

MACHINE REST INSERT - RANSOM REST INSERT, SIG P210

[Shooting Accessories](#) > [Shooting Rests](#) > [Handgun Rests](#)

The finest handgun machine rest; very well made and extremely reliable. Shows pistolsmiths, competitive shooters and accuracy buffs the true shooting potential of their guns and ammunition. Designed, thoroughly tested, and performance proven to duplicate the human wrist and hand action during shooting, but without the element of human error. Positive stop pad gives exact repositioning after each shot. Adjustable for elevation. Interchangeable grip inserts of special polyurethane, bonded to aluminum plates, add versatility. Purchase the Rest, then select the grip inserts to fit your gun(s) from the table.

Safety Instruction Guide for Ransom Machine Rest Insert

Introduction

Thank you for choosing the Ransom Machine Rest Insert for your shooting needs. This product is designed to enhance your shooting experience by providing a stable and reliable rest for your handgun. To ensure safe and effective use of this product, please read and follow the safety guidelines and instructions outlined in this guide.

General Safety Guidelines

- Always ensure that the handgun is unloaded before placing it on the rest.
- Keep the rest and the area around it clear of obstructions.
- Use the rest only in a safe shooting environment, away from unauthorized persons.
- Never leave the rest unattended with a loaded firearm.
- Regularly inspect the rest for any signs of wear or damage before each use.
- If you notice any defects or issues, discontinue use immediately and contact the manufacturer.

Specific Safety Precautions for Use

- Ensure that the rest is set up on a stable and level surface to prevent tipping.
- Adjust the elevation carefully to avoid sudden movements that could lead to accidents.
- Use only the recommended grip inserts that are compatible with your handgun.
- Avoid placing excessive weight on the rest that exceeds its designed capacity.
- Keep hands and body parts clear of the shooting area while using the rest.
- Do not modify the rest in any way that could compromise its safety or performance.

Instructions for Installation and Usage

1. Setup the Rest:

- Unpack the Ransom Machine Rest Insert and all included components.
- Place the rest on a stable, flat surface.
- Ensure that the positive stop pad is properly positioned for accurate shot placement.

2. Adjusting Elevation:

- Locate the elevation adjustment mechanism.
- Turn the adjustment knob clockwise to raise the rest and counterclockwise to lower it.
- Make small adjustments and check the alignment with your target.

3. Installing Grip Inserts:

- Select the appropriate grip insert for your handgun from the provided options.
- Align the grip insert with the designated area on the rest.
- Firmly press the grip insert into place until it is securely attached.

4. Placing the Handgun:

- Ensure the handgun is unloaded.
- Carefully place the handgun in the grip insert, ensuring it is stable and secure.
- Doublecheck that the handgun is correctly positioned and that the rest is stable.

5. Firing:

- Stand at a safe distance behind the shooting line.
- Follow all standard firearm safety protocols while shooting.
- After each shot, check the positioning of the handgun and make any necessary adjustments.

Disposal Instructions

- When the Ransom Machine Rest Insert has reached the end of its usable life, dispose of it in accordance with local regulations.
- Separate any materials that can be recycled, such as metal and plastic components, from nonrecyclable waste.
- Do not dispose of the rest in household waste if it contains hazardous materials.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please contact the manufacturer directly through the EU-based contact point provided with your product.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable shooting experience with the Ransom Machine Rest Insert. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important safety measures.
