MINI SWITCHBACK CHARGING HANDLE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Manticore Arms Mini Switchback Charging Handle. This product is designed to enhance your experience with the Steyr AUG. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the charging handle.
- Keep the charging handle out of reach of children and other vulnerable individuals.
- Regularly inspect the charging handle for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm accessories.
- If you notice any irregularities during use, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that your hands are dry and clean when handling the charging handle.
- Do not use the charging handle if it has been modified or damaged in any way.
- Avoid using excessive force when charging the handle to prevent injury or damage.
- Always wear appropriate eye protection when using firearms equipped with the charging handle.
- Be aware of your surroundings and ensure that the area is safe before using your firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is completely unloaded.
- Remove the existing charging handle from the firearm.
- Align the Mini Switchback Charging Handle with the charging handle slot.
- Gently slide the charging handle into place until it is securely seated.
- Test the handle by pulling it back to ensure smooth operation.

2. Usage:

- To charge the firearm, grip the charging handle firmly and pull it back smoothly.
- Release the handle to allow it to return to its original position.
- Always check the chamber to ensure it is clear before firing.

Disposal Instructions

- Dispose of the Mini Switchback Charging Handle in accordance with local regulations.
- Do not dispose of the charging handle in regular household waste.
- If the product is damaged or no longer usable, consider recycling the materials where possible.
