

SHOTGUN BIG DOT TRITIUM FRONT SIGHT - PLAIN BARREL BIG DOT TRITIUM

[Shotgun Parts](#) > [Sights](#) > [Front Sights](#)

Installs Easily Over The Existing Bead Sight

SHOTGUN BIG DOT TRITIUM FRONT SIGHT Highly visible, tritium dot front sight surrounded by a large white ring epoxies over the existing front bead sight to help improve target focus and low light sight acquisition and sight recovery after muzzle flash. Installs over front sight beads from .125" - .140" diameter by filling the cavity on the underside of the sight with Brownells Acraglas Gel, then pressing the sight over the bead and allowing it to fully cure. If existing bead is too small or too large, replace with Brownells #6 bead for 3-56 threads or #26 for 6-48 threads. Some shotgun barrels may require drilling and tapping of existing hole to 6-48 for installation of #26 Brownells bead. Vent Rib model with flat bottom fits shotgun barrels with ventilated ribs. Plain Barrel model with cupped bottom fits round shotgun barrels. Includes instructions. SPECS: Machined steel, black, matte finish. Big Dot .161" (4mm) diameter. Fits beads from .125" (3.2mm) to .140" (3.5mm). Vent Rib fits ventilated ribs. Plain Barrel fits round barrels. Includes instructions.

Safety Instruction Guide for SHOTGUN BIG DOT TRITIUM FRONT SIGHT

Introduction

Thank you for choosing the SHOTGUN BIG DOT TRITIUM FRONT SIGHT. This guide provides essential safety information and instructions for the proper installation and use of the product, ensuring a safe experience while enhancing your shooting accuracy.

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use during shooting activities. Always follow safety instructions to avoid potential hazards.
- **Enhanced Recalls:** Be aware that in the event of a safety concern, standardized recall notices will be issued, and remedies will be provided at no cost.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety regulations equivalent to those in physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when children are present. Keep all shooting accessories out of reach of children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation may lead to misalignment or malfunction of the sight.
 - Using the sight with incompatible bead sizes can cause it to detach during use.
 - Ensure that the sight is securely attached before shooting to prevent accidents.
- **Avoiding Hazards:**
 - Always check the compatibility of the sight with your shotgun before installation.
 - Follow the installation instructions carefully to ensure proper fitting.
 - Regularly inspect the sight for wear or damage before each use.
- **Audience Specific Warnings:**
 - This product is intended for use by adults only. Keep out of reach of children.
 - Ensure that all users are familiar with firearm safety practices.

Instructions for Installation and Usage

Installation Steps

1. **Preparation:**
 - Gather required materials: Brownells Acraglas Gel, appropriate bead sight, and installation tools.
2. **Compatibility Check:**
 - Ensure the existing front bead sight is between .125" .140" in diameter. If not, replace it with Brownells #6 bead for 356 threads or #26 for 648 threads.
3. **Installation:**
 - Fill the cavity on the underside of the sight with Brownells Acraglas Gel.
 - Press the sight over the existing bead sight.
 - Allow the Acraglas Gel to fully cure as per the manufacturer's instructions.
4. **Final Check:**
 - Verify that the sight is securely attached and aligned correctly before use.

Usage Guidelines

- Always use the sight in conjunction with proper shooting techniques and firearm safety protocols.
- Regularly clean the sight to maintain visibility and performance.
- Avoid exposing the sight to extreme temperatures or harsh chemicals that may damage it.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and mechanical waste.
- Do not dispose of the product in regular household waste.
- Check with local authorities for proper disposal methods to ensure environmental safety.

Contact Information for Further Support

For any questions or concerns regarding the SHOTGUN BIG DOT TRITIUM FRONT SIGHT, please consult the manufacturer's contact resources. Always refer to the product packaging for specific contact details.

By following these guidelines, you can ensure a safe and effective experience with your SHOTGUN BIG DOT TRITIUM FRONT SIGHT. Thank you for your attention to safety!
