

# REMINGTON 870 SGA BUTTSTOCK W/ 6-RD SHELL HOLDER - BROWNELLS REMINGTON 870 SGA BUTTSTOCK W/ 6-RD SHOTSHELL HOLDER

[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Buttstocks](#)

Innovative, integrated accessory system lets you apply the "Magpul Method" to make the tried-and-true 12 gauge 870 into a state-of-the-art tactical shotgun exactly fitted to your mission requirements. Major components are made from the same tough, hard polymer Magpul uses for their AR-15 stocks to ensure superb durability under harsh conditions. SGA Stock - User-configurable stock offers improved ergonomics, including a spacer system that lets you tailor the length of pull to the individual shooter in ½" increments from 12½" to 14½". Ergonomically enhanced grip area is similar to a pistol grip and a recoil-absorbing buttpad delivers excellent control and pointability. Accepts optional cheek risers to change the comb height. Both sides have a slot for threading on a 1¼" wide sling. Available alone or in a set that includes the MOE Forend. The SGA stock has been paired with the Mesa tactical shotshell holder. Rugged and lightweight, aluminum shell holders put extra 12 gauge shotshells on the left side of the receiver for fast tactical reloads. Shells are held in place with a unique, internal Santoprene™ elastomer rib that securely retains even heavy slug shells during vigorous movement or heavy recoil. The Remington sidemount uses steel-on-steel, threaded adapters that replace the trigger group pins to anchor the shell holder securely to the receiver. Remington 870 shotguns require a shortened, tactical-style forend to accommodate Groundsidemount unit.

## Attributes

- Name: [BROWNELLS REMINGTON 870 SGA BUTTSTOCK W/ 6-RD SHOTSHELL HOLDER](#)

# Safety Instruction Guide for REMINGTON 870 SGA Buttstock with 6Round Shell Holder

## Introduction

Thank you for choosing the REMINGTON 870 SGA Buttstock with 6Round Shell Holder. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always treat firearms and firearm accessories with respect and caution.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the firearm is unloaded when installing or adjusting accessories.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the product for wear and damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Ensure that the SGA Buttstock is properly installed before using the firearm.
- Use only compatible Remington 870 models with the specified forend.
- Do not exceed the recommended number of shotshells in the holder.
- Avoid using the buttstock in extreme weather conditions unless specifically designed for such use.
- Be mindful of the recoil and ensure a proper shooting stance to maintain control.
- If you experience any issues during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Verify that the firearm is unloaded and pointed in a safe direction.
2. **Remove Old Stock:** If applicable, remove the existing buttstock by unscrewing the stock mounting screws.
3. **Attach SGA Stock:** Align the SGA Buttstock with the receiver and secure it using the provided screws. Ensure all screws are tightened to prevent movement.
4. **Install Shell Holder:** Attach the Mesa tactical shotshell holder to the left side of the receiver. Ensure it is securely mounted using the steel on steel threaded adapters.
5. **Check Compatibility:** Ensure the forend is compatible with the 6round side mount unit.

### Usage

- Adjust the length of pull using the spacer system to suit your individual shooting preference.
- Use the ergonomic grip for improved control and stability.
- When reloading, ensure that the shotshells are properly seated in the holder.
- Utilize the cheek risers if needed to adjust the comb height for better aiming.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic and metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the REMINGTON 870 SGA Buttstock with 6Round Shell Holder, please refer to your retailer or manufacturer's website for further assistance.

Thank you for your attention to these safety instructions. Enjoy your shooting experience responsibly!
