[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Buttstocks](#)

Innovative, integrated accessory system lets you apply the “Magpul Method” to make the tried-and-true 12 gauge 870 into a state-of-the-art tactical shotgun exactly fitted to your mission requirements. Major components are made from the same tough, hard polymer Magpul uses for their AR-15 stocks to ensure superb durability under harsh conditions. SGA Stock – User-configurable stock offers improved ergonomics, including a spacer system that lets you tailor the length of pull to the individual shooter in ½" increments from 12½" to 14½". Ergonomically enhanced grip area is similar to a pistol grip and a recoil-absorbing buttpad delivers excellent control and pointability. Accepts optional cheek risers to change the comb height. Both sides have a slot for threading on a 1¼" wide sling. Available alone or in a set that includes the MOE Forend. The SGA Shotgun Stock is an adaptable stock for Mossberg 500/590/590A1 12 gauge shotguns, designed with a wide range of customizable features and accessories to meet individual end user needs. The SGA stock has been paired with the Mesa tactical shotshell holder. Rugged and lightweight, aluminum shell holders put extra 12 gauge shotshells on the left side of the receiver for fast tactical reloads. Shells are held in place with a unique, internal Santoprene™ elastomer rib that securely retains even heavy slug shells during vigorous movement or heavy recoil. The Mossberg sidemount uses steel-on-steel, threaded adapters that replace the trigger group pins to anchor the shell holder securely to the

## Attributes

# MOSSBERG 500 SGA BUTTSTOCK W/6RD SHOTSHELL HOLDER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the MOSSBERG 500 SGA Buttstock with 6Round Shotshell Holder. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Ensure you are in a safe environment when handling the firearm.
- Keep the muzzle pointed in a safe direction at all times.
- Store the firearm and ammunition separately and securely.
- Use appropriate eye and ear protection when shooting.
- Follow all local laws and regulations regarding firearm use.
- Be aware of your surroundings and ensure no one is in your line of fire.
- Regularly inspect your equipment for wear and damage.

## Specific Safety Precautions for Use

- Ensure that the SGA Buttstock is properly installed before use.
- Do not exceed the recommended weight limit for the shotshell holder.
- Avoid using damaged or worn shotshells.
- Do not modify the stock or shotshell holder in any way.
- When loading or unloading the firearm, keep your finger off the trigger.
- Only use shotshells that are compatible with the Mossberg 500/590/590A1 models.
- Be cautious of recoil when firing, especially with heavy loads.
- Ensure the shell holder is securely attached before use.

## Instructions for Installation and Usage

### Installation

1. **Check Compatibility:** Ensure that your Mossberg shotgun is a model 500, 590, or 590A1.
2. **Remove Existing Stock:** If applicable, remove the existing stock by unscrewing the stock bolt.
3. **Attach SGA Buttstock:**
  - Align the SGA Buttstock with the receiver.
  - Securely fasten the stock bolt to hold the buttstock in place.
4. **Install Shotshell Holder:**
  - Attach the shotshell holder to the designated mounting area on the stock.
  - Ensure it is securely fastened and does not wobble.

### Usage

- Adjust the length of pull using the spacer system to fit your individual shooting style.
- Load the shotshells into the holder, ensuring they are seated securely.
- Before firing, ensure the firearm is in a safe condition and ready for use.
- After firing, check the condition of the stock and shotshell holder for any damage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding plastic and metal waste.
- If the product is damaged or no longer usable, do not attempt to repair it.
- Contact local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MOSSBERG 500 SGA Buttstock with 6Round Shotgun Holder, please refer to the manufacturer's contact information provided with the product packaging. Always ensure to follow the guidelines and regulations applicable in your region.

Thank you for prioritizing safety while enjoying your shooting experience.
