# FIBER OPTIC REPLACEMENT RODS Safety Instruction Guide

## Introduction

Thank you for choosing the FIBER OPTIC REPLACEMENT RODS. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of these replacement rods. Please read this document carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the product is used only as intended.
- Always inspect the rods for damage before use. Do not use if damaged.
- Keep the product out of reach of children to prevent accidental ingestion or injury.
- In case of any accidents or unsafe product experiences, report them to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Use protective eyewear when cutting or handling the rods to avoid eye injuries.
- Avoid exposure to extreme temperatures or direct sunlight, which may affect the integrity of the rods.
- Do not attempt to modify the rods beyond cutting them to size as this may compromise their safety.
- Ensure that the rods are securely installed in the sight to prevent them from dislodging during use.
- If you experience any adverse reactions or injuries, seek medical advice immediately.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a cutting tool and protective eyewear.
- Ensure your workspace is clean and free from distractions.

### 2. Cutting the Rods:

- Measure the required length for your sight and mark the rods accordingly.
- Using the cutting tool, carefully cut the rods to the desired length.
- Smooth any rough edges to prevent injury during installation.

### 3. Installation:

- Remove any broken or damaged rods from your sight carefully.
- Insert the new fiber optic replacement rod into the sight.
- Ensure that the rod fits snugly and is secure in place.

### 4. Usage:

- Once installed, check the sight to ensure proper alignment and functionality.
- Use the sight in a safe environment, following all standard safety practices for handling firearms.

## Disposal Instructions

- Dispose of any unused or broken rods in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, check for local recycling programs or

hazardous waste disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the FIBER OPTIC REPLACEMENT RODS, please refer to your retailer or the manufacturer's website for further support and information.

By following these guidelines, you can ensure a safe and effective experience with your FIBER OPTIC REPLACEMENT RODS. Thank you for your attention to safety!
