

SIGHT BASE SCREW KIT - BROWNELLS 8-40X1/4" WEAVER OVAL SIGHT BASE SCREW REFILL 12 PACK

[Gunsmith Tools](#) > [Small Hardware](#) > [Metal Screws](#)

Slotted-Head Screws For All Scope & Sight Mounting Jobs

This Kit has been extremely popular with our customers for many years. The gunsmiths and dealers who do any type of sight work have found that they do not like to be without it. The slotted-head screws included in the kit cover at least 99% of all scope and iron sight mounting requirements. The Screw Kit is packed in a plastic box and contains 12 each of the most popular 18 screw sizes needed when working with scopes or sights. It also has a pair of chrome-plated tweezers with flat jaws for easily picking up the right screw and our handy, Checker/Shortener Jig that makes grinding screws to the right length fast and easy. The screws are made of high strength, forged tool steel, feature slotted-heads and are tempered and blued to rigid specifications. We suggest that should a screw need to be cut and fitted, it should be treated with rust-prohibitive OXPHO-BLUE™ before it is used to give it a highly rust-resistant, tough, blue coat to make your job look and wear better. The kit is available to you at a very substantial savings over the cost of buying the screws singly. It is an opportunity to have just the right, hard-to-find sight base screw when you need it, for only a minimal cost ... an advantage that will pay for itself time after time in repair or installation jobs.

Sight Base Screw Refil Pak, Weaver Oval, 8-40x1/4"

Safety Instruction Guide for SIGHT BASE SCREW KIT BROWNELLS 840X1/4" WEAVER OVAL SIGHT BASE SCREW REFILL 12 PACK

Introduction

Thank you for choosing the SIGHT BASE SCREW KIT BROWNELLS 840X1/4" WEAVER OVAL SIGHT BASE SCREW REFILL 12 PACK. This product is designed to provide reliable and secure mounting of sight bases. To ensure the safe use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) when handling tools and screws.
- Ensure that the work area is clean, dry, and welllit to prevent accidents.
- Avoid using the screws if they show signs of corrosion or damage.
- Do not overtighten screws as this may cause them to break or damage the sight base.
- Follow the manufacturer's recommendations for the appropriate torque specifications when installing screws.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools: a screwdriver compatible with slotted screws and a torque wrench.
- Ensure you have the correct size of screws (840x1/4") for your sight base.

2. Installation Steps

- Align the sight base with the mounting holes on your firearm.
- Insert the screws into the holes of the sight base.
- Using the screwdriver, tighten the screws gently until they are snug.
- Use a torque wrench to apply the recommended torque, ensuring not to exceed the specified limit.

3. PostInstallation

- After installation, doublecheck that all screws are securely tightened.
- Perform a visual inspection to ensure that no screws are protruding or misaligned.

Disposal Instructions

- Dispose of any unused or damaged screws in accordance with local regulations.
- Do not dispose of screws in regular household waste if they are considered hazardous.
- Check with local waste disposal services for specific instructions regarding metal waste.

Contact Information for Further Support

For any inquiries regarding product safety or to report unsafe products, please reach out to your local consumer safety authority or visit the EU Safety Gate platform for updates and information.

By following these safety instructions, you can ensure a safe and effective experience with the SIGHT BASE SCREW KIT BROWNELLS 840X1/4" WEAVER OVAL SIGHT BASE SCREW REFILL 12 PACK. Thank you for your attention to safety.
