

# BROWNING A-BOLT RIFLE ACTION WRENCH & HEAD - BROWNING A-BOLT ACTION WRENCH HEAD ONLY

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Wrenches](#) > [Action Wrenches & Components](#)

The only commercially available action wrench system that surrounds and supports the receiver ring and recoil lug to distribute potentially damaging torque forces equally. The solid steel base has a unique, machined relief to clear the recoil lug on most Mauser-type bolt action rifles and, the individual, bolt-on Heads are machined to provide an exact fit around and against the receiver ring or barrel nut for each of the firearm models listed. Together, they support the receiver in a ring of steel and greatly increase the amount of surface gripping area to totally eliminate twisted bolt ways or damaged, ruined receivers. This is the most advanced, complete, professional-quality, Action Wrench System. With it, you can prevent expensive receiver damage on MOST popular rifle actions, including military models, plus, models for selected handguns. Two-piece head clamps around the forward receiver ring for complete contact on the top and sides of this uniquely-shaped receiver.

# BROWNING ABOLT RIFLE ACTION WRENCH & HEAD SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the Browning ABolt Rifle Action Wrench & Head. This product is designed to provide a secure and effective means of handling your firearm's action. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use of the product.

## General Safety Guidelines

- Always read and understand the instructions before using the action wrench.
- Ensure the firearm is unloaded and pointed in a safe direction before beginning any work.
- Use the action wrench only for the specific firearm models listed in the product specifications.
- Keep the action wrench and its components out of reach of children and unauthorized users.
- Inspect the action wrench and heads for any signs of damage or wear before each use.
- Do not use the action wrench if any part is damaged or missing.
- Follow all local laws and regulations regarding firearms and their maintenance.

## Specific Safety Precautions for Use

- Ensure that the work area is clean and welllit to avoid accidents.
- Always wear protective eyewear when using the action wrench.
- Use a sturdy work surface to provide stability during use.
- Do not exceed the recommended torque specifications when tightening components.
- Avoid using excessive force, which may damage the firearm or action wrench.
- If unsure about any step in the process, consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and safe.
- Gather all necessary tools and materials, including the Browning ABolt Rifle Action Wrench and heads.

### 2. Selecting the Appropriate Head:

- Choose the correct bolton head that fits your specific firearm model.
- Ensure the head is securely attached to the wrench.

### 3. Positioning the Action Wrench:

- Position the action wrench around the receiver ring and recoil lug.
- Ensure that the wrench is aligned properly to avoid misalignment during use.

### 4. Securing the Wrench:

- Tighten the clamps of the action wrench around the receiver ring.
- Ensure complete contact on the top and sides of the receiver for maximum support.

### 5. Applying Torque:

- Use a torque wrench to apply the necessary torque to the components.

- Follow the manufacturer's specifications for torque settings.

## 6. Finishing Up:

- Once the work is completed, carefully remove the action wrench.
- Store the action wrench and heads in a safe place, away from moisture and direct sunlight.

## Disposal Instructions

- Dispose of any damaged or unusable parts of the action wrench in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check for any recycling programs that may accept metal components.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or support, please refer to the official Browning website or contact your local firearms dealer.

Stay safe and enjoy using your Browning ABolt Rifle Action Wrench & Head responsibly!
