# Safety Instruction Guide for 1/4" Brass Drift Punch

## Introduction

Thank you for choosing the 1/4" Brass Drift Punch from BROWNELLS. This tool is designed for drifting fixed sights without causing damage. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always use the tool as intended to avoid accidents.
- Keep the tool out of reach of children and vulnerable individuals.
- Regularly inspect the tool for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Ensure you are wearing appropriate personal protective equipment (PPE), such as safety goggles and gloves, to protect against potential flying debris.
- Avoid using the punch on hard surfaces that may cause it to shatter or break.
- Do not apply excessive force while using the punch, as this may lead to tool failure or injury.
- Always hold the punch firmly and ensure that your hands are clear of the striking area.
- Use the punch in a welllit area to maintain visibility and control.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the work surface is stable and secure.
- Gather all necessary tools and materials before starting.

### 2. Using the Brass Drift Punch:

- Position the punch at the desired location on the fixed sight.
- Hold the punch vertically and ensure it is aligned correctly.
- Using a suitable hammer, strike the end of the punch with controlled force.
- Check after each strike to ensure the sight is moving as intended and that no damage is occurring.

### 3. PostUse Care:

- Clean the punch after use to remove any debris or residue.
- Store the punch in a dry, safe place, away from moisture and direct sunlight.

## Disposal Instructions

- Dispose of the tool in accordance with local regulations.
- Do not dispose of the punch in regular household waste if it is damaged or broken; check for local hazardous waste disposal options.

## **Contact Information for Further Support**

For any inquiries regarding the safety of this product, please contact your local EUbased consumer safety authority. Always ensure that you have the latest information on product safety and recalls.

Thank you for using the 1/4" Brass Drift Punch responsibly and safely. Your adherence to these guidelines helps ensure a safe and effective experience.
