# VFG ADAPTER VFG CLEANING 2 PELLET ADAPTER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the VFG Adapter VFG Cleaning 2 Pellet Adapter, specifically designed for .30 caliber firearms. This guide provides essential safety instructions and general guidelines to ensure safe and effective use of the product. Please read this manual carefully before using the adapter.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before attaching or detaching the adapter.
- Keep the adapter and all cleaning supplies out of reach of children and vulnerable individuals.
- Use the adapter only for its intended purpose, which is to hold VFG felt pellets for cleaning .30 caliber firearms.
- Regularly inspect the adapter for any signs of damage or wear before each use.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

- Ensure that the threads of the adapter are compatible with the cleaning rod you are using. The .30 caliber adapter has a 1228 thread.
- Do not use excessive force when attaching the adapter to the cleaning rod to avoid damaging the threads.
- Always use the adapter in a wellventilated area to avoid inhaling any cleaning agents or debris.
- Avoid contact with cleaning chemicals; wear gloves if necessary.
- If you experience any discomfort or adverse reactions while using the adapter, discontinue use immediately and seek medical advice.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary cleaning supplies including the VFG felt pellets, cleaning rod, and the VFG Adapter.
- Ensure your workspace is clean and welllit.

### 2. Installation

- Take the VFG Adapter and locate the threaded end.
- Carefully screw the threaded end of the adapter onto the male end of the cleaning rod, ensuring a secure fit.
- If applicable, place one felt pellet onto the threads of the adapter and another in the slipfit section.

### 3. Usage

- Insert the cleaning rod with the attached adapter into the firearm's chamber.
- Gently push and pull the cleaning rod to clean the barrel with the felt pellets.
- Avoid using excessive force to prevent damage to the firearm.

### 4. PostUse Care

- After cleaning, remove the adapter from the cleaning rod.

- Clean the adapter as necessary and store it in a safe place.

## **Disposal Instructions**

- Dispose of the VFG Adapter in accordance with local regulations.
- Do not dispose of the adapter in regular household waste if it shows signs of damage.
- Check with local waste management for proper disposal methods for cleaning supplies and materials.

## **Contact Information for Further Support**

For any inquiries regarding safety or product use, please contact your local distributor or the manufacturer directly. Ensure that you have your product information ready for a more efficient response.

Remember, safety is paramount when handling firearms and cleaning equipment. Always prioritize your wellbeing and that of others around you. Thank you for your attention to these safety guidelines. Enjoy using your VFG Adapter responsibly!
