

STANDARD LINE NYLON RIFLE BORE BRUSHES - STANDARD LINE BRUSH, NYLON, .22 CALIBER RIFLE, 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Solvent Resisting Nylon

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Nylon Bore Brush - New generation bore cleaners attack copper and bronze-based bullet jacket fouling aggressively and are just as hard on bronze cleaning brushes. Our nylon brushes stand up to these super cleaners and won't cause accuracy-ruining scratches. One-piece, looped and wound steel shanks (except Black Powder (BP) series, .17 caliber, and .20 caliber, which have brass shanks). SPECS: Bristles: Available in nylon. Shank: Steel, looped and wound. Overall length: 3.27" (8.3cm) Threads: .17 and .20 caliber 5-40 threads, all others 8-32 thread.

Safety Instruction Guide for STANDARD LINE NYLON RIFLE BORE BRUSHES

Introduction

Thank you for choosing the STANDARD LINE NYLON RIFLE BORE BRUSHES. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this document carefully before using the bore brushes.

General Safety Guidelines

- Always use the bore brushes in accordance with the manufacturer's instructions.
- Ensure that the bore brushes are suitable for the specific caliber of your firearm.
- Keep the bore brushes out of reach of children and vulnerable individuals to prevent accidents.
- Inspect the bore brushes regularly for any signs of wear or damage before each use.
- Do not use the bore brushes for any purpose other than cleaning the bore of firearms.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The bore brushes may pose risks such as injury from improper handling or use.
 - Avoid contact with the bristles while the brush is in use to prevent injury.
- **Avoiding Hazards:**
 - Always handle the bore brushes with care. Do not apply excessive force when cleaning.
 - Ensure that the firearm is unloaded and pointed in a safe direction before using the bore brushes.
 - Do not use the bore brushes if they show signs of damage, such as bent or broken bristles.
- **Age Specific Warnings:**
 - This product is not intended for use by children. Adult supervision is required if used in the presence of minors.

Instructions for Installation and Usage

- **Installation:**
 - Attach the bore brush to a cleaning rod that is compatible with the brush's thread size.
 - Ensure that the connection is secure to prevent detachment during use.
- **Usage:**
 - Before use, ensure that the firearm is unloaded and pointed in a safe direction.
 - Insert the bore brush into the bore of the firearm and gently rotate it while pushing it through the bore.
 - Repeat the process as necessary to ensure thorough cleaning.
 - After cleaning, remove the bore brush and clean the firearm according to standard procedures.

Disposal Instructions

- Dispose of used or damaged bore brushes in accordance with local regulations.
- Do not dispose of the bore brushes in the environment. Follow your local waste disposal guidelines.

Contact Information for Further Support

For any inquiries regarding the safety or usage of the STANDARD LINE NYLON RIFLE BORE BRUSHES, please refer to the contact information provided on the packaging or the manufacturer's website.

Thank you for prioritizing safety while using our products. Your adherence to these guidelines helps ensure a safe and effective cleaning experience.
