

# 1911 HARDCORE® MAGWELL - ED BROWN HARDCORE MAGWELL, SS, 25 LPI STAINLESS

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Wells](#)

## Variety of Texturing Options

Ed Brown's one-piece Hardcore® Magwell gives you an extremely clean, streamlined, "of a piece" magwell installation that looks good and adds minimal bulk to your pistol. Most important, it provides a meaningful practical assist in getting a fresh mag seated home pronto when you need a fast reload. Each Hardcore Magwell is precision machined from a single piece of solid steel bar stock, so it offers a smooth, rounded, fully de-horned profile, making it comfortable for your EDC or competition gun. The rear of the MSH is neatly radiused, and there are convenient side scallops on the bottom to give your fingers extra clearance to help you extract a magazine from the pistol. The Hardcore magwell is designed for a perfect fit with flat-bottom grips for a sleek, full-on custom appearance. Machined from steel bar stock Fits full-size 1911 Government Model & Commander Mainspring housing/magwell ONLY - no internal components

# **Safety Instruction Guide for 1911 HARDCORE® MAGWELL ED BROWN HARDCORE MAGWELL, SS, 25 LPI STAINLESS**

## **Introduction**

Thank you for choosing the 1911 HARDCORE® MAGWELL by Ed Brown. This product has been designed to enhance the functionality of your pistol while ensuring safety during use. Please read this safety instruction guide thoroughly to understand how to use and maintain your magwell properly.

## **General Safety Guidelines**

- Always treat your firearm as if it is loaded.
- Ensure that you are using the magwell with compatible models only: fullsize 1911 Government Model and Commander Mainspring housing/magwell.
- Keep the magwell and firearm out of reach of children and unauthorized users.
- Inspect the magwell and the firearm regularly for any signs of wear or damage.
- Always follow local laws and regulations regarding firearm modifications and usage.

## **Specific Safety Precautions for Use**

- Ensure the firearm is completely unloaded before installation or maintenance.
- Use appropriate protective gear, such as safety glasses, when handling firearms.
- Be aware of your surroundings when using your firearm to avoid accidental discharge.
- Do not attempt to modify the magwell or the firearm in ways not specified in this guide.
- If you experience any issues with the magwell, cease use immediately and consult a professional.

## **Instructions for Installation and Usage**

### **1. Installation**

- Ensure the firearm is unloaded.
- Remove the existing mainspring housing from your 1911.
- Align the Hardcore Magwell with the mainspring housing slot.
- Secure the magwell in place according to the manufacturer's specifications.
- Check that the installation is tight and that there are no gaps.

### **2. Usage**

- Insert the magazine into the magwell firmly until it clicks into place.
- Practice reloading your firearm in a safe environment to become familiar with the magwell's assistance in seating the magazine.
- Always ensure the firearm is pointed in a safe direction when reloading.

## **Disposal Instructions**

- Dispose of the magwell in accordance with local regulations regarding metal waste.
- Do not dispose of the magwell in regular household waste.
- Consider recycling options for metal components.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please reach out to the designated EU contact point or visit the EU Safety Gate platform for updates and recall information.

## **Conclusion**

Following these safety instructions will help ensure a safe and effective experience with your 1911 **HARDCORE®** **MAGWELL**. Your safety and the safety of others should always be your top priority when handling firearms. Thank you for your attention to these important guidelines.
