

# HRT PICATINNY/WEAVER SCOPE RINGS - TPS PRODUCTS HRT STEEL RINGS 1" MEDIUM

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

## Superior Scope-To-Ring Contact With A Slim-Line Look

HRT Series Rings, precisely machined from an alloy steel billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Weaver-type or Picatinny bases.

## Attributes

- Name: [TPS PRODUCTS HRT STEEL RINGS 1" MEDIUM](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100001474
- Mfr. No.: 40501

# HRT PICATINNY/WEAVER SCOPE RINGS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the HRT Picatinny/Weaver Scope Rings by TPS Products. These rings are designed to securely hold your scope in place, ensuring optimal performance and safety during use. This guide provides essential safety instructions and information to help you use this product safely and effectively.

## General Safety Guidelines

- Ensure that the scope rings are compatible with your scope and firearm.
- Always inspect the scope rings for any damage or wear before each use.
- Use the scope rings only for their intended purpose, which is to mount a scope onto a firearm.
- Keep the product out of reach of children and unauthorized users.
- Do not modify or alter the scope rings in any way.
- Follow all local laws and regulations regarding the use of firearms and scopes.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the scope rings.
- Use caution when tightening the screws to avoid overtorquing, which can damage the scope or rings.
- Make sure that the scope is properly aligned and securely fastened before using the firearm.
- Avoid using the scope rings in extreme conditions (e.g., excessive heat or cold) that may affect their performance.
- Regularly check the tightness of the screws during use to maintain secure attachment.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have the necessary tools for installation, including a torque wrench and appropriate screwdrivers.
- Read the scope and firearm manuals for additional guidance.

### 2. Installation Steps

- Begin by ensuring the firearm is pointed in a safe direction and is unloaded.
- Place the scope rings on the Picatinny or Weaver base, ensuring they are aligned correctly.
- Insert the screws into the rings and tighten them gently, alternating between the left and right sides to maintain even pressure.
- Use a torque wrench to apply the recommended torque settings as specified by the manufacturer.

### 3. Usage

- Once installed, check the alignment of the scope and make adjustments as necessary.
- Before firing, conduct a test to ensure that the scope remains securely attached and properly aligned.
- After each use, inspect the scope rings for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations concerning metal waste.
- Do not dispose of the product in general household waste.
- Consider recycling the metal components if possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact their customer service directly.

By following these safety instructions, you can ensure the safe and effective use of your HRT Picatinny/Weaver Scope Rings. Thank you for your attention to safety and responsible firearm handling.
