

HRT PICATINNY/WEAVER SCOPE RINGS - TPS PRODUCTS HRT ALUMINUM RINGS 30MM MEDIUM

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Superior Scope-To-Ring Contact With A Slim-Line Look

HRT Series Rings, precisely machined from an alloy steel billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Weaver-type or Picatinny bases.

Attributes

- Name: [TPS PRODUCTS HRT ALUMINUM RINGS 30MM MEDIUM](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100001480
- Mfr. No.: 40581

HRT Picatinny/Weaver Scope Rings Safety Instruction Guide

Introduction

Thank you for choosing the HRT Picatinny/Weaver Scope Rings by TPS Products. These aluminum rings are designed for optimal performance and safety. This guide provides important safety instructions and information to ensure the proper use and maintenance of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the scope rings before use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Report any accidents or unsafe conditions to the relevant authorities.
- Regularly check for product recalls on the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Ensure the firearm is unloaded before installing the scope rings.
 - Use proper tools and follow installation instructions to avoid damage.
- **Usage Safety:**
 - Always ensure the scope is securely mounted before use.
 - Do not exceed the recommended torque settings when tightening the rings.
- **Maintenance Safety:**
 - Regularly check the tightness of the scope rings.
 - Clean the rings with a soft cloth and avoid using harsh chemicals.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the scope rings with the Picatinny or Weaver base.
- Place the scope in the rings and ensure it is level.
- Tighten the screws on the left side of the cap first, followed by the right side to maintain alignment.
- Use a torque wrench to tighten the screws to the manufacturer's recommended specifications.

2. Usage:

- After installation, check that the scope is securely held in place.
- Adjust the reticle as necessary for your shooting requirements.
- Regularly inspect the scope and rings for any signs of movement or wear during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of in household waste; check for recycling options for aluminum materials.
- Ensure that any components are disposed of in a way that prevents harm to the environment.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of HRT Picatinny/Weaver Scope Rings, please refer to the manufacturer's customer support resources. Ensure you have your product details available for a more efficient response.

Thank you for your attention to these safety guidelines. Enjoy your experience with the HRT Picatinny/Weaver Scope Rings while ensuring safety and compliance with all relevant regulations.
