

# AR-15/M16 RAIL MOUNT QUICK DETACH SLING SWIVEL - DANIEL DEFENSE QD RAIL MOUNT SWIVEL FOR AR-15/M-16 BLACK ANODIZED

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

## Helps Stabilize Weapon To Prevent Gun Roll

Uniquely designed, quick-detach swivel mount limits rotational movement to help achieve optimum weapon balance and control with popular tactical slings. Attach anywhere along railed forearms; robust, aluminum clamping block with hex head cross-bolt locks mount securely to any Picatinny or Weaver-style rail platform. Extra heavy-duty, steel, push-button swivel removes quickly, so operator can break-away from the sling in emergency situations. Can be mounted for right- or left-hand use and adapts to 2- and 3-point sling configurations. Swivel rotation is limited to approximately 45° to help stabilize the weapon and eliminate sling tangle.

# Safety Instruction Guide for AR15/M16 Rail Mount Quick Detach Sling Swivel

## Introduction

Thank you for choosing the AR15/M16 Rail Mount Quick Detach Sling Swivel by Daniel Defense. This product is designed to enhance your weapon's balance and control while using tactical slings. This guide provides essential safety information, installation instructions, and usage guidelines to ensure safe and effective operation.

## General Safety Guidelines

- Ensure the product is suitable for your specific firearm model before use.
- Always follow the manufacturer's instructions when installing and using the sling swivel.
- Regularly inspect the sling swivel for wear and damage. Do not use if any parts are damaged or missing.
- Keep the sling swivel out of reach of children and unauthorized users.
- In case of any malfunction or unusual behavior, cease use immediately and consult a qualified professional.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- The swivel rotation is limited to approximately 45°. Ensure this limit is maintained to prevent sling tangle and enhance stability.
- When using the quickdetach feature, ensure the swivel is securely locked in place before use.
- Always practice safe handling of your firearm when using the sling swivel.
- Do not exceed the weight limit specified by the manufacturer for the sling and attachments.
- Be cautious when detaching the sling in emergency situations to avoid accidental release of the firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the location on your Picatinny or Weaverstyle rail where you wish to mount the swivel.
- Use the included hex head crossbolt to secure the aluminum clamping block to the rail. Ensure it is tightened firmly but do not overtighten to avoid damaging the rail.
- Confirm that the swivel is securely attached and does not move or wobble.

### 2. Usage:

- Attach your tactical sling to the swivel according to the sling's instructions.
- Adjust the sling length as needed to achieve optimal comfort and control.
- To detach the swivel, press the pushbutton mechanism while holding the swivel firmly. Ensure your firearm is pointed in a safe direction during this process.
- Always check the swivel's functionality before each use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer in use, do not throw it away in regular household waste. Instead, take it to a designated recycling center or hazardous waste disposal facility.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15/M16 Rail Mount Quick Detach Sling Swivel, please refer to the manufacturer's website or customer support channels for assistance. Make sure to have the product details ready when seeking support.

By following these guidelines, you can ensure the safe and effective use of your AR15/M16 Rail Mount Quick Detach Sling Swivel. Thank you for prioritizing safety and responsible firearm handling.
