

1911 MAINSPRING HOUSING - NIGHTHAWK CUSTOM 1911 GOVT. FLAT MAINSPRING HOUSING

[Handgun Parts](#) > [Frame Parts](#) > [Mainspring Parts](#) > [Mainspring Housings](#)

Fully Checkered For A Firm, Nonslip Grip

Get a solid grip on your Govt. or Officers Model with the crisp, clean 25 lpi machine-cut checkering on these all-steel mainspring housings. Helps improved accuracy by keeping the pistol correctly positioned in the shooting hand for a consistent hold and improves recoil control. Great for combat or competition pistols. Flat (FL) model offers a clean, low profile that lets you get a good, solid grip. Arched (AR) has the bump or rounded swell toward the bottom of the housing that aids in maintaining a higher grip.

Safety Instruction Guide for 1911 Mainspring Housing Nighthawk Custom

Introduction

Thank you for purchasing the 1911 Mainspring Housing Nighthawk Custom. This product is designed to enhance your grip and control while using your Government or Commander model pistol. To ensure your safety and the proper functioning of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm securely and out of reach of children and unauthorized users.
- Ensure that you are familiar with the operation of your firearm before using it with the mainspring housing installed.
- Regularly inspect your firearm and its components for wear and damage.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that the mainspring housing is compatible with your specific model of 1911 (Government or Commander).
- Do not attempt to modify or alter the mainspring housing in any way, as this may compromise safety and performance.
- Always wear appropriate eye and ear protection when shooting.
- Use only ammunition that is recommended for your specific firearm model.
- If you experience any malfunctions or issues while using your firearm, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is completely unloaded.
- Remove the current mainspring housing by following the manufacturer's instructions for disassembly.
- Align the new mainspring housing with the frame of the pistol.
- Securely attach the mainspring housing, ensuring it is properly seated and locked in place.

2. Usage:

- Grip the firearm with your shooting hand, ensuring your fingers are positioned on the checkered surface of the mainspring housing for optimal grip.
- Maintain a consistent hold while aiming and firing to improve accuracy and recoil control.
- Practice regularly to become familiar with the feel and handling of the new mainspring housing.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If you need to dispose of the mainspring housing, check with your local waste management authority for proper disposal methods for metal components.

Contact Information for Further Support

For any safety inquiries or additional support regarding the 1911 Mainspring Housing Nighthawk Custom, please consult the manufacturer's website or customer service resources.

Thank you for prioritizing safety and compliance with these guidelines. Enjoy your enhanced shooting experience with the 1911 Mainspring Housing Nighthawk Custom!
