

12GA TACTICAL MOBILCHOKE CHOKE TUBE - BERETTA/BENELLI CHOKE TUBE

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

Delivers Excellent Performance From A Wide Range Of Law Enforcement Ammo

Multi-purpose, screw-in choke tube gives excellent performance with a variety of law enforcement shotgun ammunition, including rifled slugs, buckshot, and breaching rounds. Direct replacement for popular factory screw-in tubes, so it eliminates the inconvenience of having to change the muzzle device for specific applications. Sharply crenelated muzzle provides the proper stand-off distance and secure grip on the surface for use as a breaching device. Won't interfere with performance of buckshot, and preserves the downrange accuracy of slugs. Precision machined from carbon steel, with a knurled surface for easy installation/removal, and a wear-resistant, non-glare black oxide finish.

Attributes

- Name: [BERETTA/BENELLI CHOKE TUBE](#)

Safety Instruction Guide for 12GA Tactical Mobilchoke Choke Tube

Introduction

Thank you for choosing the 12GA Tactical Mobilchoke Choke Tube. This product is designed for use with law enforcement shotgun ammunition and offers excellent performance for various applications. To ensure your safety and the proper functioning of this product, please read and follow the safety instructions and guidelines outlined in this document.

General Safety Guidelines

- Always handle firearms and associated accessories with care and respect.
- Ensure that the choke tube is compatible with your shotgun model before installation.
- Regularly inspect the choke tube for signs of wear or damage.
- Store the choke tube in a secure and dry location, away from children and unauthorized users.
- Always follow local laws and regulations regarding the use of firearms and ammunition.

Specific Safety Precautions for Use

- Use only approved shotgun ammunition with this choke tube, including rifled slugs, buckshot, and breaching rounds.
- Do not exceed the manufacturer's recommended specifications for ammunition use.
- Ensure the shotgun is unloaded before installing or removing the choke tube.
- Avoid using the choke tube in excessively wet or muddy conditions, as this may affect performance.
- If you experience any malfunctions or unusual behavior while using the choke tube, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

1. Installation

- Ensure the shotgun is pointed in a safe direction and is unloaded.
- Using the knurled surface, carefully screw the choke tube into the muzzle of the shotgun until it is securely in place.
- Do not overtighten, as this may damage the choke tube or the shotgun.

2. Usage

- Always check that the choke tube is properly installed before firing.
- Maintain a safe distance from the target and ensure the area is clear of bystanders.
- Follow the manufacturer's guidelines for the specific ammunition type being used to ensure optimal performance.
- After use, allow the shotgun and choke tube to cool down before handling.

Disposal Instructions

- Dispose of the choke tube in accordance with local regulations for metal products.
- Do not dispose of the choke tube in regular household waste.
- If the choke tube is damaged or no longer usable, contact your local recycling center for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the 12GA Tactical Mobilchoke Choke Tube, please consult the manufacturer's website or customer service for assistance. Ensure to have your product details at hand for a more effective inquiry.

Conclusion

By following these safety guidelines and instructions, you can ensure a safer experience with the 12GA Tactical Mobilchoke Choke Tube. Always prioritize safety and compliance with local regulations to promote responsible firearm usage. Thank you for your attention to these important safety measures.
