Safety Instruction Guide for AR15/M16 Quick Detach Sling Kits

Introduction

Thank you for choosing the AR15/M16 Quick Detach Sling Kits from Brownells. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure your product is used safely and effectively. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure the product is suitable for your firearm model before use.
- Regularly inspect all components for wear, damage, or corrosion.
- Do not exceed the weight limit specified for the sling mounts and swivels.
- Always follow local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Installation Precaution:** Ensure that the sling mounts are securely attached to prevent accidental detachment during use.
- **Weight Limit:** The QD Swivel accepts slings up to 1¼ inches wide. Do not exceed this limit to avoid failure.
- **Adjusting the Sling:** When adjusting the VTAC Quick Adjust Sling, ensure that it is not too loose or too tight to prevent slippage or discomfort.
- **Material Awareness:** The components are made from aluminum and steel. Be cautious of sharp edges during installation and adjustment.
- **Environmental Considerations:** Avoid exposing the product to extreme temperatures, moisture, or corrosive environments to maintain durability.

Instructions for Installation and Usage

Installation Steps

1. **Gather Tools:** Ensure you have the necessary tools for installation, such as a screwdriver or wrench, if required.
2. **Locate Mounting Points:** Identify the appropriate locations on your firearm where the sling mounts will be attached.
3. **Attach Rail Mount Front Loop QD:**
 - Align the front loop with the mounting point.
 - Securely fasten it using the provided hardware.
4. **Install EZ Carbine Sling Mount:**
 - Position the EZ Carbine Sling Mount on the receiver extension tube.
 - Tighten the screws until snug, ensuring no movement occurs.
5. **Attach QD Swivel:** Connect the QD Swivel to the sling and ensure it clicks into place.
6. **Adjust Sling Length:** Use the adjustment mechanism on the VTAC Quick Adjust Sling to set your desired length.

Usage Instructions

- To use the sling, place it over your shoulder and adjust it for comfort.
- Ensure that the sling is properly secured to the firearm before carrying or aiming.
- Regularly check the attachment points during use to ensure they remain secure.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Avoid discarding in regular household waste.
- If the product is damaged or no longer usable, consider recycling materials where applicable.

Contact Information for Further Support

For any questions or concerns regarding the AR15/M16 Quick Detach Sling Kits, please refer to the manufacturer's website or contact your local dealer for assistance.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of your AR15/M16 Quick Detach Sling Kits. Your safety and satisfaction are our top priorities. Thank you for your attention to these important safety measures.
