PACESETTER RIFLE THREEDIE SET LEE PRECISION 2506 REMINGTON PACESETTER 3DIE SET Safety Instructions

Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SET by LEE PRECISION. This product is designed to assist you in reloading ammunition safely and effectively. It is essential to follow the safety guidelines and instructions provided in this document to ensure safe usage and compliance with EU regulations.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and unauthorized users.
- Use the product only for its intended purpose.
- Regularly inspect the product for wear or damage before use.
- Store the product in a dry, cool place away from direct sunlight.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, when using the reloading dies.
- Ensure that your workspace is clean and free from distractions.
- Do not exceed the recommended load data provided in the instructions.
- Handle all components of the reloading process with care to avoid accidents.
- Never point the firearm at anything you do not intend to shoot.
- Follow all local laws and regulations regarding ammunition reloading.

Instructions for Installation and Usage

1. Preparation

- Ensure you have all components included in the set: Full Length Sizing Die, Bullet Seating Die, Factory Crimp Die, Universal Shell Holder, Powder Dipper, and Instructions/Load Data.
- Gather necessary tools and materials, including a reloading press compatible with 7/8"14 threads.

2. Installation

- Secure the Full Length Sizing Die in the reloading press according to the manufacturer's instructions.
- Install the Bullet Seating Die and the Factory Crimp Die in the same manner.
- Attach the Universal Shell Holder to the press.

3. Reloading Process

- Follow the Load Data provided in the instructions to determine the appropriate powder charge and bullet type.
- Use the Powder Dipper to measure the powder accurately.
- Insert a case into the Universal Shell Holder and proceed with the resizing process using the Full Length Sizing Die.
- After resizing, remove the case and use the Bullet Seating Die to seat the bullet to the desired

depth.

- Finally, use the Factory Crimp Die to apply a crimp to the bullet if necessary.

4. PostUsage

- Clean all components after use to maintain their condition and functionality.
- Store the dies in a safe and dry location.

Disposal Instructions

- Dispose of any unused or expired materials in accordance with local regulations.
- Do not dispose of hazardous materials in regular trash.
- Contact local waste management authorities for guidance on safe disposal methods.

Contact Information for Further Support

For any safety inquiries or support regarding the PACESETTER RIFLE THREEDIE SET, please reach out to your local distributor or the manufacturer. Ensure you have the product information ready for assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with the PACESETTER RIFLE THREEDIE SET. Thank you for your attention to safety!
