Safety Instruction Guide for RCBS Powder Funnel 22 to 45 Caliber

Introduction

Thank you for choosing the RCBS Powder Funnel 22 to 45 Caliber. This product is designed to assist in the safe and efficient handling of powder during reloading. It is essential to follow the safety guidelines outlined in this document to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the powder funnel is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always use the powder funnel in a wellventilated area to prevent inhalation of any dust or particles.
- Inspect the funnel regularly for any signs of wear or damage before use.
- Avoid using the funnel with incompatible powders or materials.
- In case of an accident or if the product appears damaged, stop using it immediately and seek assistance.

Specific Safety Precautions for Use

- Always handle powders in accordance with the manufacturer's safety data sheets.
- Use eye protection when handling powders to prevent dust or particles from entering the eyes.
- Do not smoke or use open flames in the vicinity of powder handling.
- Ensure that the funnel is stable and secure during use to prevent spills.
- Never fill the funnel beyond its capacity to avoid overflow and spills.
- Clean the funnel thoroughly after each use to prevent contamination.

Instructions for Installation and Usage

1. Preparing the Funnel

- Ensure that the funnel is clean and dry before use.
- Check that the drop tube is securely attached to the funnel.

2. Using the Funnel

- Position the funnel over the case mouth securely.
- Pour the powder slowly into the funnel, allowing it to flow into the case.
- Avoid shaking or tapping the funnel to prevent spills.

3. PostUse Care

- After use, carefully remove the funnel from the case.
- Clean the funnel with a soft brush or cloth to remove any residual powder.
- Store the funnel in a dry, cool place away from direct sunlight.

Disposal Instructions

- Dispose of any unused powders and materials in accordance with local regulations.
- Do not dispose of the funnel in regular household waste. Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the RCBS Powder Funnel 22 to 45 Caliber, please refer to the manufacturer's website or customer service for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience while using the RCBS Powder Funnel 22 to 45 Caliber. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety measures.
