# Safety Instruction Guide for SST® 30 Caliber (0.308") Rifle Bullets

## Introduction

Thank you for choosing Hornady SST® 30 Caliber (0.308") Rifle Bullets. This guide provides essential safety instructions to ensure the safe handling, usage, and disposal of this product. It is crucial that you read and understand these guidelines to prevent accidents and ensure compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle ammunition with care and respect.
- Store bullets in a cool, dry place away from direct sunlight and heat sources.
- Keep bullets out of reach of children and unauthorized individuals.
- Use only in firearms that are specifically designed for .30 caliber ammunition.
- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure you are in a safe environment when handling or firing your firearm.
- Regularly inspect your firearm to ensure it is in good working condition.

## Specific Safety Precautions for Use

- Ensure that your firearm is unloaded when loading or unloading bullets.
- Do not use damaged or deformed bullets.
- Follow the manufacturer's guidelines for loading and firing.
- Always aim in a safe direction, away from people and property.
- Be aware of what is beyond your target; ensure there is a safe backstop.
- Do not mix different types of ammunition.
- Be cautious of potential ricochets when firing in environments where bullets may bounce off surfaces.

## Instructions for Installation and Usage

### • Loading Bullets:

- Ensure your firearm is pointed in a safe direction.
- Open the action of your firearm and visually inspect the chamber to confirm it is clear.
- Insert the SST® bullet into the chamber or magazine as per the firearm's loading instructions.
- Close the action of your firearm securely.

### • Firing:

- Ensure you are wearing eye and ear protection.
- Take a stable shooting position and align your sights on the target.
- Squeeze the trigger gently to fire the bullet.
- After firing, keep the firearm pointed downrange and wait for a moment to ensure no further rounds are chambered.

### • Unloading:

- Open the action of your firearm and visually inspect the chamber.
- Remove any remaining ammunition from the chamber and magazine.
- Store any unused bullets safely.

## **Disposal Instructions**

- Do not dispose of bullets in regular household waste.
- Contact your local waste management authority for information on hazardous waste disposal.
- Follow all local regulations regarding the disposal of ammunition and firearm components.

## **Contact Information for Further Support**

For additional questions or concerns regarding the safety and use of Hornady SST® 30 Caliber (0.308") Rifle Bullets, please reach out to your local Hornady representative or authorized dealer.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Hornady SST® 30 Caliber (0.308") Rifle Bullets. Always prioritize safety and be aware of your responsibilities as a firearm user. Thank you for your attention to these important safety measures.
