

# AR-15 GAS BLOCK LOW PROFILE - YANKEE HILL MACHINE CO., INC.

## AR-15 GAS BLOCK ASSEMBLY LOW PROFILE .750 STEEL BLACK

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Blocks](#)

Unique, all-steel gas blocks expand the versatility of your rifle by providing a variety of accessory rail and handguard mounting options. Especially helpful in customizing short-barrelled tactical rifles. Machined from bar stock for extra strength and rigidity, then mil-spec Parkerized for exceptional wear- and corrosion-resistance. Low Profile version is a low and narrow, one-piece block designed to fit inside most free-float handguards; allows use of rifle length forearms on carbine length barrels for a clean, streamlined look and added gripping surface. Secures to barrel with included setscrews. Low Profile Slotted has a slot cut into the bottom for easy mounting and dismounting; slide the block into position and tighten the two pinch screws to snug it securely to the barrel.

### Attributes

- Name: [YANKEE HILL MACHINE CO., INC. AR-15 GAS BLOCK ASSEMBLY LOW PROFILE .750 STEEL BLACK](#)
- Manufacturer: [YANKEE HILL MACHINE CO., INC.](#)

# Safety Instruction Guide for AR15 Gas Block Low Profile

## Introduction

Thank you for choosing the AR15 Gas Block Low Profile by Yankee Hill Machine Co., Inc. This product is designed to enhance the versatility of your rifle while ensuring safe operation. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installation or maintenance.
- Use only compatible accessories and components with your gas block.
- Regularly inspect the gas block for wear and damage.
- Keep the product out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the gas block is securely attached to the barrel before use.
- Use the correct tools as specified in the installation instructions to prevent damage.
- Avoid overtightening the screws, as this may lead to damage of the gas block or barrel.
- Do not use the gas block if it shows signs of damage or wear.
- Be aware of the increased heat generated during operation; allow the gas block to cool before handling.
- If you experience any malfunctions or irregularities during use, stop using the firearm immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools: Allen wrench, torque wrench, and cleaning cloth.
- Ensure your workspace is clean and welllit.

### 2. Installation

- Ensure the firearm is unloaded.
- Remove any existing gas block or handguard.
- Clean the barrel surface where the gas block will be installed.
- Position the gas block over the barrel, ensuring it is aligned properly.
- For the Low Profile Slotted version, slide the block into position and tighten the pinch screws securely.
- For the standard Low Profile version, use the included setscrews to secure the gas block to the barrel.
- Check the alignment and ensure that the gas block does not interfere with the handguard.

### 3. Usage

- After installation, perform a functionality check to ensure proper operation.
- Use the firearm as intended, following all safety practices associated with firearm handling.

### 4. Maintenance

- Regularly check the gas block for any signs of wear or loosening.
- Clean the gas block as needed to remove carbon buildup and ensure optimal performance.

## **Disposal Instructions**

- Dispose of the gas block in accordance with local regulations regarding metal products.
- Do not dispose of in regular household waste. Instead, take it to a recycling center that accepts metal components.

## **Contact Information for Further Support**

For any inquiries or additional support regarding the AR15 Gas Block Low Profile, please contact the manufacturer directly. Ensure you have your product details and any relevant information ready for assistance.

Thank you for your attention to these safety guidelines. Your safety and the safe operation of your firearm are of utmost importance.
