TRIJICON RMR LOW MOUNT Safety Instruction Guide

Introduction

Thank you for choosing the TRIJICON RMR LOW MOUNT from American Defense Manufacturing. This guide provides essential safety instructions and guidelines for the proper use and handling of your mount. Please read this document carefully to ensure safe and effective operation.

General Safety Guidelines

- Ensure that the mount is compatible with your firearm and Picatinny rail system before installation.
- Always handle firearms with care and follow all safety protocols when using the mount.
- Inspect the mount regularly for any signs of wear or damage.
- Do not exceed the manufacturer's specifications for the mount to avoid potential hazards.
- Keep the mount out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or detaching the mount.
- Do not use the mount if it shows any signs of damage or malfunction.
- Avoid using the mount in extreme weather conditions that may affect its performance.
- Regularly check the tightness of the mount to ensure it remains securely attached to the rail.
- If you experience any issues with the mount, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Align the mount with the Picatinny rail on your firearm.
- Use the QD Auto Lock Lever system to secure the mount. Make sure it is locked in place.
- Check that the mount is securely attached by attempting to move it slightly. It should not shift.

2. Usage Guidelines:

- Once the mount is installed, ensure that the Trijicon RMR is properly attached and secured.
- Familiarize yourself with the operation of the RMR before using it in the field.
- Regularly check the mount and RMR for any signs of looseness or damage before each use.

Disposal Instructions

- When disposing of the mount, ensure that it is no longer usable and cannot be reinstalled.
- Follow local regulations for the disposal of aluminum and other materials.
- Do not dispose of the mount in regular household waste. Instead, consider recycling options available in your area.

Contact Information for Further Support

For any safety inquiries or support regarding your TRIJICON RMR LOW MOUNT, please consult the manufacturer's website or customer service. It is important to have a dedicated contact point for any questions

related to product safety.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your TRIJICON RMR LOW MOUNT responsibly.
