FIREPOWER BASE PAD KIT FOR GLOCK® Safety Instruction Guide

Introduction

Thank you for choosing the FIREPOWER BASE PAD KIT FOR GLOCK® by Taran Tactical Innovations. This product is designed to enhance your shooting experience by providing a reliable magazine extension. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store this product and all firearms in a secure location out of reach of children and unauthorized users.
- Be aware of your target and what is beyond it before discharging your firearm.
- Regularly inspect your firearm and accessories for wear and damage.
- Follow all local laws and regulations regarding firearm use and ownership.

Specific Safety Precautions for Use

- Ensure that the base pad kit is compatible with your specific Glock model (17, 22, 34, 35) before installation.
- Do not exceed the recommended capacity of 20+1 rounds for .40 S&W and 23+1 rounds for 9mm.
- Avoid using the base pad kit with any ammunition that is not recommended for your firearm.
- If you experience any malfunctions while using the base pad kit, cease use immediately and consult a qualified gunsmith.
- Always wear appropriate eye and ear protection when shooting.

Instructions for Installation and Usage

Installation

1. Prepare the Magazine:

- Ensure the magazine is empty and the firearm is unloaded.
- Clean the magazine tube to remove any debris or dirt.

2. Attach the Base Pad:

- Align the base pad with the magazine tube.
- Firmly push the base pad onto the magazine tube until it clicks into place.
- Ensure that the base pad is securely attached and does not wobble.

3. Test the Installation:

- Check the fit by holding the magazine and gently pulling on the base pad.
- If it feels loose, detach and reattach the base pad ensuring a secure fit.

Usage

- Load the magazine with the appropriate ammunition.
- Insert the magazine into the firearm until it locks in place.
- To remove the magazine, press the magazine release button and pull the magazine out.

Maintenance

- Regularly inspect the base pad for signs of wear or damage.
- Clean the base pad as needed with a soft cloth to maintain functionality.

Disposal Instructions

- Dispose of the base pad kit and any packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the product in fire, as it may release harmful substances.
