Safety Instruction Guide for AR15/M16 DDM4 Handguards

Introduction

Thank you for choosing the Daniel Defense AR15/M16 DDM4 Handguards. This guide provides essential safety instructions to ensure the safe use, installation, and maintenance of your handguards. Please read this guide carefully before use.

General Safety Guidelines

- Ensure the handguards are compatible with your firearm model (AR15/M16).
- Always follow the manufacturer's instructions for installation and usage.
- Keep the handguards away from children and unauthorized users.
- Inspect the handguards regularly for any signs of damage or wear.
- Always wear appropriate safety gear when handling firearms.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Handling:** Always treat your firearm as if it is loaded. Keep the muzzle pointed in a safe direction at all times.
- **Installation:** Ensure that the firearm is unloaded before installing the handguards.
- **Compatibility:** Verify that the handguards are installed on a compatible barrel length (11" or longer) and gas system (Midlength or shorter).
- **Sling Attachment:** Use the limited rotation QD swivel attachment points properly to prevent tangling and ensure safe sling usage.
- **Heat Resistance:** Be aware that the handguards are made from hightemperature resistant materials. Avoid prolonged exposure to extreme heat.
- **Maintenance:** Regularly check the tightness of all screws and hardware. Loose components can lead to malfunction.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all required tools: Barrel Nut Wrench and Allen Wrench (both supplied).

2. Installation:

- Remove the existing handguards from the firearm.
- Install the Barrel Nut using the supplied Barrel Nut Wrench.
- Attach the DDM4 Handguards securely around the barrel, ensuring proper alignment.
- Use the Allen Wrench to tighten all screws, ensuring a secure fit.

3. PostInstallation Check:

- After installation, check that the handguards are firmly attached and do not move.
- Ensure that all attachment points are functional and free from obstruction.

4. Usage:

- Use the picatinny rail on top for mounting sights and accessories as needed.
- Always check the compatibility of any accessories before mounting.

Disposal Instructions

- Dispose of the handguards in accordance with local regulations.
- Do not dispose of the handguards in regular household waste if they are damaged or cannot be reused.
- Consider recycling options for aluminum and other materials if applicable.

Contact Information for Further Support

For any questions or concerns regarding the safety of the AR15/M16 DDM4 Handguards, please refer to the manufacturer's contact points available in the product packaging or documentation.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your Daniel Defense AR15/M16 DDM4 Handguards. Thank you for prioritizing safety!
