

# **HRT PICATINNY/WEAVER SCOPE RINGS - TPS PRODUCTS HRT ALUMINUM RINGS 1" X-HIGH**

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

## **Superior Scope-To-Ring Contact With A Slim-Line Look**

HRT Series Rings, precisely machined from an alloy steel billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Weaver-type or Picatinny bases.

## **Attributes**

- Name: [TPS PRODUCTS HRT ALUMINUM RINGS 1" X-HIGH](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100020411
- Mfr. No.: 40523
- Height: 1.40"
- Material: Aluminum
- Scope Tube Diameter: 1"
- Size: Extra High
- Delivery weight: 0.318kg
- Shipping height: 51mm
- Shipping width: 51mm
- Shipping length: 89mm
- UPC: 071611405232

# HRT Picatinny/Weaver Scope Rings Safety Instruction Guide

## Introduction

Thank you for choosing the HRT Picatinny/Weaver Scope Rings by TPS Products. This guide provides important safety information and instructions to ensure the proper use and installation of your scope rings. Please read this guide carefully to maximize safety and performance.

## General Safety Guidelines

- Ensure the product is suitable for your specific firearm and scope.
- Always handle firearms and accessories with care and in accordance with local laws and regulations.
- Inspect the scope rings before each use for any signs of damage or wear.
- Keep the scope rings out of reach of children and vulnerable individuals.
- Report any accidents or unsafe products to the appropriate authorities.

## Specific Safety Precautions for Use

- **Recoil Management:** The scope rings are designed to hold the scope securely against recoil. Ensure that the scope is properly aligned before tightening.
- **Installation Checks:** Always doublecheck that all screws are tightened to the manufacturer's specifications to prevent any movement during use.
- **Avoid OverTorquing:** Use the large clampnut to torque the rings properly. Overtorquing can damage the rings or the scope.
- **Environmental Considerations:** Avoid exposing the rings to extreme temperatures or moisture, which may affect their performance.
- **Use with Compatible Products:** Ensure that your scope and firearm are compatible with Picatinny or Weaver bases.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench.
- Ensure the firearm is unloaded and pointed in a safe direction.

### 2. Installation:

- Place the scope in the rings and align it to your desired position.
- Secure the scope with the fourscrew cap:
  - Tighten the left side of the cap first.
  - Then tighten the right side of the cap to avoid rotating the scope.
- Use the large clampnut to torque the rings to the base. Follow the manufacturer's torque specifications for proper installation.

### 3. Usage:

- Regularly check the tightness of the scope rings, especially after heavy use or transportation.
- Adjust your scope as needed, ensuring that the rings maintain a secure fit.

## **Disposal Instructions**

- Dispose of the scope rings in accordance with local regulations.
- If the product is no longer usable, consider recycling materials where applicable.
- Do not dispose of the product in household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the manufacturer's customer support resources. Ensure you have your product information ready for assistance.

Thank you for prioritizing safety while using the HRT Picatinny/Weaver Scope Rings. Your compliance with these guidelines helps ensure a safe and enjoyable experience.
