

FRONT POCKET HOLSTERS - GALCO INTERNATIONAL FRONT POCKET HOLSTER BERETTA TOMCAT-TAN

[Home](#)

While limiting the carrier to a relatively small handgun, pocket carry offers some unique advantages. Not only is the handgun completely covered and concealed, but the gun carrier can casually place a hand on the holstered/pocketed pistol if a nonspecific threat materializes – and the fastest draw is to have the gun already in hand. This premium horsehide pocket holster is designed for front pocket carry in pants or a jacket. It keeps the firearm in the same general position so you can quickly locate the grip when you need to draw. It also conceals the shape of the gun so that its outline is not printed through the pants. Lastly, it allows one-handed release of gun from both pocket and holster. The holster accomplishes this by hooking and catching one of two leather hooks on the top of the holster into your pocket corner when you draw your firearm. With practice (using an unloaded firearm) you can draw the firearm while the holster remains in your pocket or falls away (in the proper pants). It's made with smooth leather inside against the gun for easy release and the rough side out against the pocket, for retention of holster in the pocket. The Front Pocket Horsehide Holster is ambidextrous and available in natural finish. The holster should always be removed from the pocket when holstering the handgun.

INTERNATIONAL FRONT POCKET HOLSTER

BERETTA TOMCATTAN Safety Instruction Guide

Introduction

Thank you for choosing the FRONT POCKET HOLSTER by GALCO INTERNATIONAL. This product is designed for the safe and convenient carrying of your Beretta Tomcat handgun. This guide provides important safety instructions, usage guidelines, and disposal information to ensure your safety and satisfaction.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the holster is compatible with your specific handgun model.
- Regularly inspect the holster for wear and damage.
- Store the holster and firearm in a secure location, out of reach of children and unauthorized users.
- Familiarize yourself with the holster's operation before use.
- Do not use the holster if it shows signs of damage or if it does not securely hold your firearm.
- Always remove the holster from your pocket when holstering your handgun.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before inserting it into the holster.
- Practice drawing the firearm with an unloaded weapon to become proficient.
- Be mindful of your surroundings when using the holster to avoid accidental exposure.
- Avoid placing excessive weight in the same pocket as the holster to prevent unintentional movement.
- Use the holster only for its intended purpose; do not modify it in any way.
- If carrying in a jacket pocket, ensure the jacket is securely fastened to prevent accidental dislodging of the holster.

Instructions for Installation and Usage

1. Inserting the Firearm:

- Ensure the firearm is unloaded.
- Carefully insert the firearm into the holster, ensuring it is seated properly.

2. Carrying the Holster:

- Place the holster in your front pocket, ensuring that the leather hook catches the pocket corner for secure retention.
- Adjust the position if necessary to ensure comfort and accessibility.

3. Drawing the Firearm:

- Place your hand on the holstered firearm when you sense a potential threat.
- With a firm grip on the firearm, draw it from the holster while ensuring the holster remains in your pocket or falls away as designed.

4. Holstering the Firearm:

- Always remove the holster from your pocket before holstering the firearm.

- Insert the firearm back into the holster with the muzzle facing downward.

5. Cleaning and Maintenance:

- Clean the holster with a soft, dry cloth to remove dirt and debris.
- Store the holster in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the holster responsibly in accordance with local regulations.
- If the holster is damaged, do not attempt to repair it; instead, dispose of it to prevent accidental use.
