

STOW-N-GO HOLSTERS - GALCO INTERNATIONAL STOW-N-GO GLOCK® 17/22/31-TAN-RIGHT HAND

[Home](#)

The Stow-N-Go's open top allows a very fast draw, while the reinforced mouth allows a smooth and easy return to the holster. A sturdy injection-molded nylon clip secures the holster onto the belt. The Stow-N-Go inside the pants holster carries the handgun in a vertical orientation, with no cant or angle. It can be used strong side, crossdraw, or in front of the hip (appendix carry). Constructed of comfortable premium Center Cut Steerhide™, the Stow-N-Go fits belts up to 1 3/4".

Safety Instruction Guide for STOWNGO Holster

Introduction

Thank you for choosing the STOWNGO Holster by GALCO INTERNATIONAL. This guide provides essential safety instructions and guidelines to ensure the proper use and maintenance of your holster. Please read this document carefully to fully understand how to safely use your holster, as well as your rights under the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that the firearm is unloaded before inserting it into the holster.
- Keep the holster away from children and unauthorized users.
- Regularly inspect your holster for signs of wear or damage.
- Do not expose the holster to extreme temperatures or direct sunlight for prolonged periods.
- Follow all local laws and regulations regarding firearm carry and usage.
- Report any unsafe conditions or incidents related to the holster to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the holster is securely attached to your belt before use.
- Always carry the firearm in a vertical orientation as designed.
- Avoid placing the holster in a location where it may be accidentally dislodged.
- When drawing the firearm, maintain a clear line of sight and awareness of your surroundings.
- Do not attempt to modify the holster in any way, as this may compromise its safety and effectiveness.
- If you experience any discomfort while wearing the holster, adjust its position or discontinue use.

Instructions for Installation and Usage

1. Attaching the Holster:

- Slide the injectionmolded nylon clip onto your belt.
- Ensure the clip is securely fastened and that the holster is stable before use.

2. Inserting the Firearm:

- Open the holster and carefully insert the unloaded firearm.
- Ensure the firearm is positioned vertically with the grip facing outward.

3. Drawing the Firearm:

- To draw the firearm, grasp the grip firmly and pull it straight up out of the holster.
- Ensure that your finger remains off the trigger until you are ready to fire.

4. Returning the Firearm to the Holster:

- Keep the firearm pointed in a safe direction.
- Carefully reinsert the firearm into the holster, ensuring it is fully seated.

5. Adjusting the Holster Position:

- If needed, adjust the holster's position on your belt for comfort and accessibility.
- It can be worn on the strong side, crossdraw, or appendix carry based on your preference.

Disposal Instructions

- When disposing of the holster, ensure that it is done in an environmentally friendly manner.
- Check local regulations for guidance on disposing of leather products.
- If the holster is damaged beyond repair, consider recycling the materials if possible.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the EU-based contact point provided with your purchase. Always ensure you have the latest information regarding product recalls and safety alerts.

Conclusion

The STOWNGO Holster is designed for safe and effective use. By following these safety guidelines and instructions, you can help ensure a safe experience while using your holster. Remember to stay informed about product safety and report any concerns to the appropriate authorities. Thank you for your attention to safety and responsible firearm handling.
