

WAISTBAND INSIDE THE PANT HOLSTERS - GALCO INTERNATIONAL

WAISTBAND SIG SAUER P239 9MM-TAN-LEFT HAND

[Home](#)

Featuring a reinforced thumb break retention strap, a sturdy injection-molded nylon clip locks the holster onto the belt. The Waistband holster carries the handgun in a vertical orientation, with no cant or angle, so it can be used strong side, crossdraw, or in front of the hip (appendix carry). Constructed of premium center cut steerhide, the Waistband fits belts up to 1 3/4".

Safety Instruction Guide for WAISTBAND INSIDE THE PANT HOLSTERS

Introduction

Thank you for choosing the WAISTBAND INSIDE THE PANT HOLSTER by Galco International. This holster is designed for the Sig Sauer P239 9MM and is made from premium center cut steerhide. It is essential to follow the safety guidelines outlined in this document to ensure safe and effective use of your holster.

General Safety Guidelines

- Always ensure that your firearm is unloaded before inserting it into the holster.
- Keep the holster away from children and unauthorized users.
- Regularly inspect the holster for wear and tear. Do not use if damaged.
- Ensure that the holster is properly secured to your belt before use.
- Avoid using the holster in situations where it may be subjected to extreme conditions (e.g., high heat, moisture).
- Be aware of your surroundings and the potential for accidental discharge when drawing or reholstering your firearm.

Specific Safety Precautions for Use

- Ensure the firearm is completely unloaded when inserting or removing it from the holster.
- Do not attempt to adjust the holster while it is attached to your body.
- Avoid using the holster with firearms that are not compatible with its design.
- When drawing the firearm, maintain a proper grip and aim in a safe direction.
- Be cautious of the holster's retention strap; ensure it is secure before drawing the firearm.
- If you experience any difficulty while using the holster, cease use immediately and consult a professional.

Instructions for Installation and Usage

• Installation:

1. Ensure the holster is in good condition and free from any obstructions.
2. Attach the injectionmolded nylon clip to your belt, ensuring it locks securely.
3. Position the holster vertically on your waist, choosing a location that is comfortable for your draw style (strong side, crossdraw, or appendix carry).

• Usage:

1. Before inserting your firearm, doublecheck that it is unloaded.
2. Carefully slide the firearm into the holster, ensuring it fits snugly without forcing it.
3. Secure the thumb break retention strap over the firearm while ensuring it does not obstruct your ability to draw the firearm.
4. To draw the firearm, release the retention strap with your thumb and pull the firearm straight out of the holster.
5. After use, reholster the firearm carefully, ensuring it is secure before moving.

Disposal Instructions

- Dispose of the holster in accordance with local regulations.
- If the holster is damaged, do not attempt to repair it. Instead, dispose of it responsibly to prevent any potential hazards.

Contact Information for Further Support

For any safety inquiries or concerns regarding your holster, please refer to the contact information provided by the manufacturer or your retailer. Ensure you have your product details ready when seeking assistance.

By following these guidelines, you can ensure the safe and effective use of your WAISTBAND INSIDE THE PANT HOLSTER. Thank you for prioritizing safety.
