

# POCKET PROTECTOR HOLSTERS - GALCO INTERNATIONAL POCKET PROTECTOR SIG SAUER P238-BLACK

[Home](#)

The Pocket Protector™ holster is designed for front pocket carry in pants or a jacket. The Pocket Protector keeps the firearm in the same general position so you can quickly locate the grip when you need to draw, conceals the shape of the gun so that its outline is not printed through the pants, and allows one-handed release of gun from both pocket and holster. Reinforcements at the holster mouth and beneath the trigger guard keep the holster stiff enough to allow a smooth draw and easy return to the holster, while also maintaining enough rigidity to prevent "printing" and shifting of the handgun. The holster's hooked shape - at the base of the handgun's trigger guard - is designed to catch on the pocket so that, with practice (using an unloaded firearm) and while using the proper pants, you can draw the firearm while the holster remains in your pocket or falls away. The Pocket Protector is ambidextrous and constructed of premium Center Cut Steerhide™. The holster should always be removed from the pocket when holstering the handgun.

## Attributes

- Name: [GALCO INTERNATIONAL POCKET PROTECTOR SIG SAUER P238-BLACK](#)
- Manufacturer: [GALCO INTERNATIONAL](#)
- Product no.: 100021377
- Mfr. No.: PRO608B

# Pocket Protector Holster Safety Instruction Guide

## Introduction

Thank you for choosing the Pocket Protector™ Holster by Galco International. This guide provides essential safety instructions to ensure the safe and effective use of your holster. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure the holster is suitable for your firearm model (Sig Sauer P238).
- Always handle firearms safely and responsibly.
- Store firearms securely when not in use.
- Be aware of your surroundings when carrying a firearm.
- Regularly check for wear and tear on the holster.

## Specific Safety Precautions for Use

- Always remove the holster from your pocket when holstering your handgun.
- Practice drawing the firearm with an unloaded weapon to become familiar with the holster's operation.
- Ensure the holster is properly positioned in your pocket to avoid accidental discharge.
- Do not attempt to draw the firearm if the holster is stuck or if you encounter resistance.
- Keep the holster clean and free from debris to ensure smooth operation.

## Instructions for Installation and Usage

### 1. Installation:

- Place the holster in the front pocket of your pants or jacket.
- Ensure that the holster's mouth is accessible for easy draw.
- Adjust the position of the holster if necessary to ensure comfort and accessibility.

### 2. Usage:

- When ready to draw, ensure that you have a firm grip on the firearm.
- Pull the firearm upward while keeping the holster in the pocket to prevent it from falling out.
- If the holster does not come out easily, do not force it; instead, adjust your grip and try again.
- After drawing, ensure the firearm is pointed in a safe direction at all times.
- When finished, return the firearm to the holster only when it is safely removed from your pocket.

## Disposal Instructions

- Dispose of the holster responsibly when it is no longer in use.
- Check local regulations for proper disposal methods for leather products.
- Do not throw the holster in regular household waste if it is damaged or no longer functional.

## Contact Information for Further Support

For any safety inquiries, please contact the manufacturer directly. Ensure you have the product details ready for reference.

## Conclusion

Following these safety instructions will help ensure the safe use of your Pocket Protector™ Holster. Always prioritize safety and responsible handling of your firearm. Regularly review these guidelines and stay informed about best practices in firearm safety.
