

POCKET PROTECTOR HOLSTERS - GALCO INTERNATIONAL POCKET PROTECTOR RUGER® LCP® W/CTC LASER-BLACK

[Home](#)

The Pocket Protector™ holster is designed for front pocket carry in pants or a jacket. The Pocket Protector keeps the firearm in the same general position so you can quickly locate the grip when you need to draw, conceals the shape of the gun so that its outline is not printed through the pants, and allows one-handed release of gun from both pocket and holster. Reinforcements at the holster mouth and beneath the trigger guard keep the holster stiff enough to allow a smooth draw and easy return to the holster, while also maintaining enough rigidity to prevent “printing” and shifting of the handgun. The holster’s hooked shape – at the base of the handgun’s trigger guard – is designed to catch on the pocket so that, with practice (using an unloaded firearm) and while using the proper pants, you can draw the firearm while the holster remains in your pocket or falls away. The Pocket Protector is ambidextrous and constructed of premium Center Cut Steerhide™. The holster should always be removed from the pocket when holstering the handgun.

Pocket Protector Holster Safety Instruction Guide

Introduction

Thank you for choosing the Pocket Protector Holster by Galco International. This guide provides important safety information and instructions to ensure the safe and effective use of your holster. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the holster is suitable for your firearm model (Ruger LCP with CTC Laser).
- Always treat the firearm as if it is loaded, even when it is not.
- Keep the holster and firearm out of reach of children and unauthorized users.
- Regularly inspect the holster for wear and damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm carry and use.

Specific Safety Precautions for Use

- Always remove the holster from your pocket before holstering the firearm.
- Practice drawing the firearm from the holster using an unloaded firearm to become familiar with the process.
- Use appropriate pants that allow for safe and effective drawing of the firearm.
- Ensure the holster is securely positioned in your pocket to prevent shifting or printing.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction when drawing.

Instructions for Installation and Usage

1. Holster Placement:

- Place the Pocket Protector holster in the front pocket of your pants or jacket.
- Ensure the holster is positioned so that the firearm's grip is easily accessible.

2. Drawing the Firearm:

- With practice, use the hooked shape at the base of the trigger guard to catch on the pocket.
- Pull the firearm upwards while ensuring the holster remains in place or falls away.
- Practice this motion with an unloaded firearm to gain confidence.

3. Holstering the Firearm:

- Always remove the holster from your pocket before inserting the firearm.
- Ensure the firearm is pointed in a safe direction during this process.
- Carefully slide the firearm into the holster, ensuring it is secure.

4. Maintenance:

- Clean the holster regularly with a soft, dry cloth to remove dirt and debris.
- Store the holster in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the holster in accordance with local regulations for leather products.
- If the holster is damaged beyond repair, consider recycling it if possible.
