

# POCKET PROTECTOR HOLSTERS - GALCO INTERNATIONAL POCKET PROTECTOR KIMBER SOLO 9MM-BLACK

[Home](#)

The Pocket Protector™ holster is designed for front pocket carry in pants or a jacket. The Pocket Protector keeps the firearm in the same general position so you can quickly locate the grip when you need to draw, conceals the shape of the gun so that its outline is not printed through the pants, and allows one-handed release of gun from both pocket and holster. Reinforcements at the holster mouth and beneath the trigger guard keep the holster stiff enough to allow a smooth draw and easy return to the holster, while also maintaining enough rigidity to prevent “printing” and shifting of the handgun. The holster’s hooked shape – at the base of the handgun’s trigger guard – is designed to catch on the pocket so that, with practice (using an unloaded firearm) and while using the proper pants, you can draw the firearm while the holster remains in your pocket or falls away. The Pocket Protector is ambidextrous and constructed of premium Center Cut Steerhide™. The holster should always be removed from the pocket when holstering the handgun.

# Pocket Protector Holster Safety Instructions

## Introduction

Thank you for choosing the Pocket Protector™ Holster by Galco International. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure safe and effective use of your holster. Please read this guide carefully before use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the firearm is unloaded before inserting it into the holster.
- Keep the holster out of reach of children and unauthorized users.
- Regularly inspect the holster for wear and tear. Replace it if any damage is found.
- Be aware of your surroundings and ensure that your firearm is properly concealed at all times.
- Follow local laws and regulations regarding firearm carry and concealment.
- Do not attempt to draw your firearm from the holster while seated or in a confined space where movement may be restricted.

## Specific Safety Precautions for Use

- The Pocket Protector is designed for front pocket carry. Ensure that your pants or jacket pockets are suitable for this type of carry.
- Practice drawing your firearm with an unloaded weapon to familiarize yourself with the motion and to ensure safe handling.
- Always remove the holster from your pocket when holstering your handgun to prevent accidental discharge.
- Avoid using the holster with pants that are too tight or made of materials that may impede the smooth draw of the firearm.
- Ensure that the holster is properly positioned in your pocket so that it does not shift during movement.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded.
- Verify that the holster is clean and free from any obstructions.

### 2. Inserting the Firearm:

- Open the holster and gently insert the firearm, ensuring that it fits snugly.
- Make sure the trigger guard is properly covered by the holster.

### 3. Positioning the Holster:

- Place the holster in your front pocket, ensuring that the grip is easily accessible.
- Adjust the position as necessary to ensure comfort and accessibility.

### 4. Drawing the Firearm:

- With practice, you will learn to draw the firearm while the holster remains in your pocket.
- If the holster catches on the pocket, remember to maintain control of the firearm during the draw.

### 5. Holstering the Firearm:

- Always remove the holster from your pocket before holstering the firearm.
- Insert the firearm into the holster, ensuring that it is secure and properly positioned.

## **Disposal Instructions**

- Dispose of the holster in accordance with local regulations regarding leather and textile waste.
- If the holster is damaged or no longer in use, ensure that it is disposed of in a manner that prevents unauthorized access.
