# COMBAT MASTER HOLSTERS Safety Instruction Guide

## Introduction

Thank you for choosing the COMBAT MASTER HOLSTERS by GALCO INTERNATIONAL. This safety instruction guide provides essential information to ensure the safe use of the Combat Master holster designed for the Smith & Wesson K Frame 19 4" handgun. Please read and follow these instructions carefully to ensure your safety and the safety of others.

## General Safety Guidelines

- Always ensure the firearm is unloaded before placing it in the holster.
- Store the holster in a secure location away from children and unauthorized users.
- Regularly inspect the holster for wear and tear. Replace it if any damage is observed.
- Do not use the holster if it shows signs of damage or if the retention mechanism is not functioning properly.
- Be aware of your surroundings when drawing or reholstering your firearm.
- Follow all local laws and regulations regarding firearm carry and use.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of your Smith & Wesson K Frame 19 4" handgun before using the holster.
- The open top design allows for a swift draw; however, practice drawing safely in a controlled environment.
- The buttforward cant of the holster is designed for effective concealment. Ensure that clothing does not obstruct access to the holster.
- Avoid exposing the holster to extreme temperatures, moisture, or harsh chemicals, as these can degrade the leather material.
- If the holster becomes wet, allow it to air dry completely away from direct heat. Do not use a hair dryer or other heating devices.

## Instructions for Installation and Usage

### 1. Installation:

- Slide the holster onto your belt, ensuring that the belt fits snugly through the holster slots.
- Adjust the holster position for comfort and accessibility, typically on the hip or thigh area.

### 2. Usage:

- Always check that the firearm is unloaded before placing it in the holster.
- Insert the firearm into the holster, ensuring that it is securely seated and the retention is engaged.
- When drawing the firearm, grip the handle firmly and pull straight up to avoid snagging.
- When reholstering, ensure that the area is clear and that the firearm is pointed in a safe direction.

## Disposal Instructions

- When the holster reaches the end of its useful life or is damaged beyond repair, dispose of it in a manner that prevents unauthorized use.
- Consider recycling the leather material where possible. Check local regulations for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the COMBAT MASTER HOLSTERS, please refer to the EU contact point for product safety inquiries.

By following these guidelines, you can ensure a safe and effective experience with your COMBAT MASTER HOLSTERS. Always prioritize safety and stay informed about product recalls and safety updates. Thank you for your attention to these important safety instructions.
