

CONCEALABLE HOLSTERS - CONCEALABLE SIG SAUER P232-BLACK-LEFT HAND

[Home](#)

Its unique two-piece construction is contoured on the body side to the natural curve of the hip, keeping all the molding on the front of the holster, allowing for significantly more comfortable carry and a narrower profile than an ordinary pancake type holster. Hand-molded to fit specific handguns, the Concealable features a deeply hand-molded exterior for excellent retention properties and superior appearance, combat grip accessibility for speed, double-stitched seams for durability, and covered trigger guard for safety. The Concealable is constructed of premium saddle leather and made to fit belts up to 1 1/2".

Safety Instruction Guide for Concealable Holsters

Sig Sauer P232BlackLeft Hand

Introduction

Thank you for choosing the Concealable Holster for your Sig Sauer P232. This guide provides essential safety instructions to ensure the safe and effective use of your holster. Please read this document carefully to understand the safety precautions and usage instructions.

General Safety Guidelines

- Always ensure that your firearm is unloaded before placing it in the holster.
- Keep the holster away from children and unauthorized users.
- Avoid exposing the holster to extreme temperatures, moisture, or chemicals, which may compromise its integrity.
- Regularly inspect the holster for wear and tear. If any damage is detected, discontinue use immediately.
- Follow all local laws and regulations regarding firearm carry and usage.
- Always ensure that the trigger guard is covered when the firearm is holstered.
- Do not attempt to modify the holster in any way, as this may lead to unsafe conditions.

Specific Safety Precautions for Use

- Ensure that the holster is properly fitted to your Sig Sauer P232 to maintain optimal retention and safety.
- When drawing or reholstering your firearm, do so in a safe environment, free from distractions.
- Always maintain a proper grip on your firearm when drawing it from the holster.
- Be aware of your surroundings and ensure that your firearm is pointed in a safe direction at all times.
- Avoid using the holster while engaging in activities that may cause the firearm to shift or dislodge from the holster.

Instructions for Installation and Usage

1. Fitting the Holster:

- Ensure that the holster is designed specifically for the Sig Sauer P232.
- Slide the holster onto your belt, ensuring it is positioned for comfortable access.

2. Securing the Holster:

- Adjust the holster to fit snugly against your body, ensuring that it does not shift during movement.
- Make sure the holster is positioned at a comfortable angle for drawing your firearm.

3. Drawing the Firearm:

- With a firm grip on the firearm, draw it smoothly from the holster.
- Ensure that the holster remains in place while drawing the firearm.

4. Reholstering the Firearm:

- Always keep the firearm pointed in a safe direction when reholstering.
- Gently guide the firearm back into the holster, ensuring that the trigger guard is fully covered.

Disposal Instructions

When disposing of the holster, please follow these guidelines:

- If the holster is damaged or no longer usable, dispose of it in accordance with local waste disposal regulations.
- Do not burn the holster, as it may release harmful substances into the environment.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of your Concealable Holster, please refer to the manufacturer's website or customer service for assistance. Always ensure that you have the latest information regarding recalls or safety notices.

Thank you for prioritizing safety while using your Concealable Holster. Your responsible handling of firearms is crucial for the safety of yourself and those around you.
