

CONCEALABLE HOLSTERS - GALCO INTERNATIONAL CONCEALABLE GLOCK® 19-BLACK-LEFT HAND

[Home](#)

Its unique two-piece construction is contoured on the body side to the natural curve of the hip, keeping all the molding on the front of the holster, allowing for significantly more comfortable carry and a narrower profile than an ordinary pancake type holster. Hand-molded to fit specific handguns, the Concealable features a deeply hand-molded exterior for excellent retention properties and superior appearance, combat grip accessibility for speed, double-stitched seams for durability, and covered trigger guard for safety. The Concealable is constructed of premium saddle leather and made to fit belts up to 1 1/2".

Safety Instruction Guide for the Galco International Concealable Glock® 19 Holster

Introduction

Thank you for choosing the Galco International Concealable Glock® 19 Holster. This product is designed for safe and comfortable carry of your firearm. Please read this safety instruction guide carefully to ensure proper use and maintenance. Following these guidelines will help you avoid potential hazards and ensure a safe experience.

General Safety Guidelines

- **Product Safety:** This holster has been designed to meet safety standards for nonfood products. Always ensure its use aligns with the safety requirements set forth by the EU General Product Safety Regulation (GPSR).
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall is issued, you will receive standardized notices and remedies at no cost.
- **Online Shopping:** If purchased online, you are entitled to the same safety protections as if you bought it in a physical store. Ensure that the online platform complies with safety requirements.
- **Special Consumer Focus:** Extra precautions should be taken if the product is used around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please ensure you have access to the relevant EU-based contact information.
- **Rapid Alerts:** Monitor updates on unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the holster is designed to fit your Glock® 19. Using the wrong size may lead to improper retention and safety risks.
- **Check Retention:** Before use, always check that the firearm is securely held in the holster. A loose fit may lead to accidental discharge.
- **Avoid Modifications:** Do not alter the holster in any way. Modifications can compromise safety and functionality.
- **Keep Away from Children:** Store the holster and firearm in a secure location, out of reach of children and unauthorized users.
- **Regular Inspection:** Periodically inspect the holster for wear and tear. Replace it if you notice any damage that could affect its performance.
- **Use with Care:** Always handle your firearm with care when drawing or reholstering. Ensure the area is clear and safe.

Instructions for Installation and Usage

1. Installation:

- Ensure the holster is clean and free from debris.
- Attach the holster to your belt, ensuring it is positioned securely on your hip.
- Adjust the cant (angle) of the holster for personal comfort and accessibility.

2. Usage:

- Before inserting your firearm, ensure it is unloaded and safe.
- Slide the firearm into the holster until it is fully seated.
- Check that the firearm is secure and the trigger guard is covered.

- When drawing the firearm, ensure your finger is off the trigger until you are ready to shoot.
- After use, reholster the firearm carefully, ensuring it is pointed in a safe direction.

Disposal Instructions

- Dispose of the holster in accordance with local regulations. If the holster is damaged or no longer safe to use, do not throw it in regular waste. Contact local authorities for proper disposal methods.
