[Home](#)

The Dual Action Outdoorsman holster is great for field carry whether hunting or for peace of mind in bear country. The DAO™ can be worn strong side or crossdraw at the user's discretion. The holster employs a retention strap for simplicity and security in the brush. The retention strap has a large polymer tab to aid in snapping and unsnapping with a gloved hand. Tension screw adjustments allow for a custom fit to your revolver. Constructed of premium saddle leather, the DAO fits belts up to 1 3/4".

# **Safety Instruction Guide for DUAL ACTION OUTDOORSMAN HOLSTERS DUAL ACTION OUTDOORSMAN S&W X FRAME 500 8 3/8" TANRIGHT**

## **Introduction**

Thank you for choosing the Dual Action Outdoorsman holster. This product is designed for safe and convenient field carry, whether you are hunting or enjoying outdoor activities in bear country. Please read this safety instruction guide carefully to ensure the safe use of your holster and to understand your rights as a consumer under the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Ensure that the holster is compatible with your firearm model (Smith & Wesson 500 8 3/8").
- Always check the holster for any signs of damage before use.
- Use the holster only for its intended purpose: to carry your firearm safely and securely.
- Keep the holster out of reach of children and vulnerable individuals.
- Regularly inspect the retention strap and tension adjustments for wear and functionality.
- If you experience any difficulties with the holster, cease use immediately and consult the manufacturer.

## **Specific Safety Precautions for Use**

- Always ensure that your firearm is unloaded before inserting it into the holster.
- Use the retention strap to secure your firearm while in the holster.
- Adjust the tension screw to achieve a secure fit for your specific revolver.
- When wearing the holster, ensure that it is positioned securely on your belt.
- If using the crossdraw option, practice drawing your firearm in a safe environment to become familiar with the motion.
- Avoid exposing the holster to extreme temperatures or moisture, as this may affect the leather material.
- Do not modify the holster in any way that could compromise its safety features.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Slide the holster onto your belt, ensuring it fits snugly and securely.
- For crossdraw positioning, adjust the holster to your preferred side, ensuring ease of access.
- Ensure the retention strap is easily accessible for quick release.

### **2. Usage:**

- To insert your firearm, ensure it is unloaded and point the muzzle away from yourself and others.
- Gently slide the firearm into the holster until it is fully seated.
- Secure the retention strap by snapping it into place using the polymer tab. Practice this action with gloves to ensure ease of use.
- To draw your firearm, release the retention strap and practice a smooth, controlled motion.

## Disposal Instructions

- When the holster reaches the end of its usable life, dispose of it in accordance with local waste management regulations.
- If the holster is damaged or no longer functional, do not attempt to repair it. Instead, dispose of it responsibly.

## Contact Information for Further Support

For any inquiries regarding safety or functionality, please reach out to your local dealer or the manufacturer's customer support. Ensure you have your product details ready for reference.

By following these guidelines, you can ensure the safe use of your Dual Action Outdoorsman holster and enjoy your outdoor activities with confidence. Remember to stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for choosing a product that prioritizes safety and quality.
