DUAL ACTION OUTDOORSMAN S&W X FRAME 500 2 3/4" -TAN-LEFT HAN

[Home](#)

The Dual Action Outdoorsman holster is great for field carry whether hunting or for peace of mind in bear country. The DAO™ can be worn strong side or crossdraw at the user's discretion. The holster employs a retention strap for simplicity and security in the brush. The retention strap has a large polymer tab to aid in snapping and unsnapping with a gloved hand. Tension screw adjustments allow for a custom fit to your revolver. Constructed of premium saddle leather, the DAO fits belts up to 1 3/4".

Safety Instruction Guide for DUAL ACTION OUTDOORSMAN HOLSTERS

Introduction

Thank you for choosing the DUAL ACTION OUTDOORSMAN HOLSTER by GALCO INTERNATIONAL. This holster is designed for safe and convenient field carry, whether for hunting or personal protection. This guide provides essential safety instructions and guidelines to ensure the safe use of your holster in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

To ensure your safety and the longevity of your holster, please follow these general safety guidelines:

- Always inspect the holster for any signs of damage before use.
- Ensure the holster is compatible with your firearm model (Smith & Wesson Model 500).
- Use the holster only for its intended purpose.
- Keep the holster out of reach of children and vulnerable individuals.
- Store the holster in a dry place away from direct sunlight to prevent material degradation.
- Regularly check for wear and tear, particularly on the retention strap and tension adjustments.

Specific Safety Precautions for Use

When using the DUAL ACTION OUTDOORSMAN HOLSTER, please adhere to the following safety precautions:

- **Retention Strap:** Always ensure the retention strap is securely fastened when carrying your firearm. This prevents accidental discharges and keeps your firearm secure.
- **Gloved Use:** The polymer tab on the retention strap is designed for easy use with gloves. Practice using the strap with gloves to ensure familiarity before heading into the field.
- **Crossdraw Position:** If using the holster in a crossdraw position, be mindful of your surroundings to avoid accidental contact with others.
- **Proper Fit:** Adjust the tension screw for a custom fit to your revolver to avoid it becoming loose or difficult to draw.
- **Wearing Position:** The holster can be worn strong side or crossdraw. Choose the position that offers the most comfort and safety for your activities.

Instructions for Installation and Usage

Follow these steps to ensure proper installation and usage of your holster:

1. **Fit the Holster:** Slide the holster onto your belt. Ensure it is positioned comfortably on your hip.
2. **Adjust Tension:** Use the tension screw located on the holster to adjust the fit around your revolver. Test the fit by inserting and removing your firearm.
3. **Secure the Retention Strap:** Fasten the retention strap over your firearm. Ensure that the polymer tab is easily accessible for quick release.
4. **Check Stability:** Once the holster is fitted and secured, check for stability by gently moving the holster. It should remain in place without excessive movement.
5. **Practice Drawing:** Before using the holster in the field, practice drawing and reholstering your firearm to become familiar with the process.

Disposal Instructions

When it is time to dispose of your holster, please follow these guidelines:

- If the holster is damaged beyond repair, dispose of it in accordance with local waste management regulations.
- Do not burn the holster, as it may contain materials that can release harmful substances when incinerated.
- Consider recycling options if available, particularly for the leather and polymer components.
