

# DUAL ACTION OUTDOORSMAN HOLSTERS - DUAL ACTION OUTDOORSMAN S&W X FRAME 500 5" -TAN-RIGHT HAND

[Home](#)

The Dual Action Outdoorsman holster is great for field carry whether hunting or for peace of mind in bear country. The DAO™ can be worn strong side or crossdraw at the user's discretion. The holster employs a retention strap for simplicity and security in the brush. The retention strap has a large polymer tab to aid in snapping and unsnapping with a gloved hand. Tension screw adjustments allow for a custom fit to your revolver. Constructed of premium saddle leather, the DAO fits belts up to 1 3/4".

# Dual Action Outdoorsman Holster Safety Instruction Guide

## Introduction

Thank you for choosing the Dual Action Outdoorsman Holster designed for the Smith & Wesson X Frame 500. This product is crafted for optimal safety and comfort during outdoor activities such as hunting. This guide provides essential safety instructions and guidelines to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure the holster is compatible with your firearm model before use.
- Inspect the holster regularly for any signs of wear and tear.
- Keep the holster and firearm away from children and unauthorized users.
- When not in use, store the holster in a secure location.
- Be aware of your surroundings when wearing the holster, especially in bear country or other wildlife areas.
- Familiarize yourself with the retention strap mechanism to ensure it functions correctly.

## Specific Safety Precautions for Use

- **Retention Strap:** Always ensure the retention strap is securely fastened when carrying your firearm. This prevents accidental discharges and keeps the firearm secure.
- **Gloved Hands:** When using the holster with gloved hands, practice unsnapping the retention strap to ensure you can do so quickly and efficiently in an emergency.
- **Belt Compatibility:** Ensure your belt is compatible with the holster and can support the weight of your firearm. The holster fits belts up to 1 3/4 inches.
- **Crossdraw Position:** If wearing the holster in a crossdraw position, be mindful of your movements to avoid unintentional contact with the firearm.
- **Custom Fit:** Adjust the tension screw for a snug fit to your revolver to prevent movement while in the holster.

## Instructions for Installation and Usage

### 1. Installation:

- Slide the holster onto your belt, ensuring it is positioned securely.
- Adjust the holster to your preferred carrying position (strong side or crossdraw).
- Tighten the tension screw to achieve a custom fit for your firearm.

### 2. Usage:

- To draw your firearm, release the retention strap by pulling the polymer tab.
- Practice drawing your firearm in a safe environment to become familiar with the holster's mechanism.
- Always point the firearm in a safe direction when drawing or reholstering.

## Disposal Instructions

- When disposing of the holster, ensure it is done in an environmentally friendly manner.
- Check with local regulations regarding the disposal of leather products.
- If the holster is damaged beyond repair, consider recycling the materials where possible.

## **Contact Information for Further Support**

For any inquiries related to safety or product concerns, please refer to the manufacturer's contact information provided with your purchase. It is important to have access to support for any safetyrelated questions or issues.

By following these guidelines, you can ensure the safe and effective use of your Dual Action Outdoorsman Holster. Remember to stay informed about product recalls and safety updates through the EU Safety Gate platform. Thank you for your attention to safety!
