

# DUAL ACTION OUTDOORSMAN HOLSTERS - GALCO INTERNATIONAL

## DUAL ACTION OUTDOORSMAN RUGER® REDHAWK® 4" -TAN-RIGHT HD

[Home](#)

The Dual Action Outdoorsman holster is great for field carry whether hunting or for peace of mind in bear country. The DAO™ can be worn strong side or crossdraw at the user's discretion. The holster employs a retention strap for simplicity and security in the brush. The retention strap has a large polymer tab to aid in snapping and unsnapping with a gloved hand. Tension screw adjustments allow for a custom fit to your revolver. Constructed of premium saddle leather, the DAO fits belts up to 1 3/4".

# Dual Action Outdoorsman Holster Safety Instructions

## Introduction

Thank you for choosing the Dual Action Outdoorsman Holster by Galco International. This holster is designed for safe and comfortable field carry, whether for hunting or for personal security in bear country. It is important to follow the safety guidelines outlined in this document to ensure the safe use of your holster.

## General Safety Guidelines

- Always ensure that your firearm is unloaded when inserting or removing it from the holster.
- Do not use the holster with any firearm that is not compatible with the specified model (Ruger Redhawk 4").
- Keep the holster away from children and unauthorized users.
- Regularly inspect the holster for any signs of wear or damage.
- Ensure the retention strap is securely fastened when carrying your firearm.
- Always be aware of your surroundings when carrying a firearm.

## Specific Safety Precautions for Use

- **Retention Strap:** Always engage the retention strap when your firearm is holstered. This feature is designed to prevent accidental discharges and enhance security.
- **GloveFriendly Polymer Tab:** When wearing gloves, use the large polymer tab on the retention strap to facilitate easy snapping and unsnapping.
- **Belt Compatibility:** Ensure that your belt is compatible with the holster. The holster fits belts up to 1 3/4". Using a belt that is too wide or too narrow may compromise the holster's stability.
- **Crossdraw and Strong Side Carry:** Choose the carry position that best suits your comfort and accessibility. Practice drawing from both positions in a safe environment.
- **Adjustable Tension Unit:** Utilize the tension screw adjustments to achieve a custom fit for your revolver. This will ensure the firearm is held securely in place.

## Instructions for Installation and Usage

### 1. Installation:

- Select a suitable belt that fits the holster's specifications (up to 1 3/4").
- Slide the holster onto the belt, ensuring it is positioned comfortably for your preferred carry style (strong side or crossdraw).
- Adjust the tension screw as needed for a secure fit for your firearm.

### 2. Usage:

- Before holstering your firearm, ensure it is unloaded.
- Carefully insert the firearm into the holster, ensuring it is seated properly.
- Secure the retention strap by snapping it into place. Use the polymer tab for ease of use, especially when wearing gloves.
- When drawing your firearm, release the retention strap and practice safe handling techniques.

## Disposal Instructions

When the holster has reached the end of its life cycle or is no longer in use, dispose of it responsibly. If the holster is damaged, do not attempt to repair it. Instead, consider the following options:

- **Recycling:** Check local regulations for recycling options for leather and polymer materials.
- **Waste Disposal:** If recycling is not available, dispose of the holster in accordance with local waste management guidelines.

## Contact Information for Further Support

For any questions or concerns regarding the safety or use of the Dual Action Outdoorsman Holster, please refer to the manufacturer's website or customer support resources. It is important to have access to reliable information regarding your product.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your Dual Action Outdoorsman Holster. Thank you for your attention to safety and responsible firearm handling.
