

STINGER HOLSTERS - STINGER SIG SAUER P238 W/CTC LASER-BLACK-RIGHT HAND

[Home](#)

Galco's Stinger™ belt holster was designed with the KISS principle in mind. Made to carry a small semiautomatic pistol or double-action revolver behind the strongside hip, the Stinger's open top and forward cant allow a fast, easy drawstroke. Safety, security and stealth are all addressed with a covered trigger guard, deep molding and a tunnel-style belt loop that takes up little belt space compared to a pancake-type holster. The Stinger is constructed of premium saddle leather, fits belts up to 1 1/2" wide.

Safety Instruction Guide for STINGER HOLSTERS

STINGER SIG SAUER P238 W/CTC

LASERBLACKRIGHT HAND

Introduction

Thank you for choosing the STINGER HOLSTERS STINGER SIG SAUER P238 W/CTC LASER. This safety instruction guide is designed to provide you with essential information to ensure the safe use and handling of your holster. Please read this guide carefully before use and keep it for future reference.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use with semiautomatic pistols and doubleaction revolvers. Always ensure that you are using the holster correctly to avoid accidents.
- **Enhanced Recalls:** In the event of a safety recall, you will be notified through standardized notifications. Ensure you follow the instructions provided for any necessary remedies.
- **Online Shopping:** If purchased online, this product must meet the same safety standards as those sold in physical stores. Verify the seller's compliance with safety requirements.
- **Special Consumer Focus:** Extra care should be taken to ensure that children do not have access to the holster or the firearm it is designed to carry.
- **EU Contact Point:** For safety inquiries, ensure you have access to the manufacturer's contact information, which is available upon request.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before inserting it into the holster.
- Keep the holster out of reach of children and unauthorized users.
- Regularly check the holster for wear and tear. Replace it if any damage is found.
- Always use the holster in accordance with the manufacturer's instructions.
- Ensure that the trigger guard is covered at all times when the firearm is holstered.
- Avoid exposing the holster to extreme temperatures or moisture, which may affect its integrity.
- When drawing the firearm, do so in a controlled manner to avoid accidental discharge.

Instructions for Installation and Usage

1. Fitting the Holster:

- Ensure that the holster is compatible with the Sig Sauer P238 w/CTC Laser.
- The holster fits belts up to 1 1/2 inches wide. Ensure your belt meets this requirement for proper use.

2. Wearing the Holster:

- Position the holster on your strong side hip for optimal accessibility.
- Adjust the holster to ensure that it is secure and stable against your body.
- The open top design allows for a quick draw. Practice drawing in a safe environment.

3. Using the Holster:

- Insert the unloaded firearm into the holster, ensuring that the trigger guard is covered.
- Check that the firearm is securely held in place by the holster.

- When not in use, store the holstered firearm in a secure location away from children.

Disposal Instructions

- Dispose of the holster responsibly. If it is damaged or no longer in use, consider recycling it if possible.
- Ensure that any firearm or accessories are removed before disposal.
- Follow local regulations for the disposal of leather products.

Contact Information for Further Support

For any questions or concerns regarding the STINGER HOLSTERS STINGER SIG SAUER P238 W/CTC LASER, please refer to the manufacturer's contact information, which can be found on the product packaging or the manufacturer's website.

Thank you for prioritizing safety while using your STINGER HOLSTERS product. Always remember that responsible handling and storage of firearms is essential for your safety and the safety of others.
