# Safety Instruction Guide for 2.5" Picatinny Rail Segment

## Introduction

Thank you for choosing the 2.5" Picatinny Rail Segment by Brigand Arms. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Always ensure that the rail segment is compatible with your handguard model before installation.
- Inspect the product for any visible damage or defects before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose to avoid potential hazards.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to accessory detachment, causing injury or damage.
- Excessive force during installation may damage the rail or backing plate.

- **Avoiding Hazards:**

- Follow all installation instructions carefully.
- Use only the included wrench for tightening screws.
- Do not exceed the weight limit of 0.6 oz for accessories attached to the rail.

- **Age Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure all components are included: rail segment, aluminum backing plate, screws, and wrench.
- Align the rail segment with the designated area on your handguard.
- Secure the backing plate behind the rail segment.
- Insert screws through the rail segment into the backing plate.
- Use the included wrench to tighten the screws. Ensure they are snug but do not overtighten.

### 2. Usage:

- Attach accessories compatible with the Picatinny rail system.
- Regularly check the tightness of screws and the security of attached accessories.
- If any accessory feels loose, remove it and recheck the installation.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for aluminum and polymer materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of this product, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy your experience with the 2.5" Picatinny Rail Segment by Brigand Arms.
