

MFR XS FREE FLOAT M-LOK HANDGUARD - DANIEL DEFENSE MFR XS HANDGUARD FREE FLOAT ALUMINUM 15" BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Easy Handling & Plenty Of Room For Accessories

Daniel Defense's MFR XS M-LOK free-floating handguard combines the popular M-LOK accessory attachment system with excellent weight savings, as well as superior cooling and ergonomics. Daniel Defense employs a unique bolt-on system that lets you attach the MFR XS to a standard AR-15 barrel nut, which helps keep the outside diameter of this handguard to a minimum, making it easy to grasp, helping you control your rifle. The Daniel Defense MFR XS M-LOK handguard offers seven rows of M-LOK attachment points on the sides and bottom, along with an uninterrupted MIL-STD 1913 Picatinny top rail. Integrated in both the left and right side rails are ambidextrous QD pushbutton sling swivel attachment points. Machined 6061 T6 aluminum Type III hardcoat anodized finish Grade 8 military specification fasteners Anti-rotation tabs to keep the handguard aligned with the receiver The Daniel Defense MFR XS M-LOK handguard can be used with a pinned low-profile gas block on pistol, carbine, mid-length or rifle length gas systems.

MFR XS Free Float MLOK Handguard Safety Instructions

Introduction

Thank you for choosing the MFR XS Free Float MLOK Handguard by Daniel Defense. This product is designed to enhance your firearm's performance while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

General Safety Guidelines

- Ensure the handguard is compatible with your firearm before installation.
- Always handle firearms with care, treating them as if they are loaded.
- Keep the handguard and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the handguard for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended weight limits for attachments on the handguard.
- Ensure that all MLOK attachments are securely fastened before use.
- Be aware of your surroundings when using the firearm equipped with this handguard.
- Use appropriate protective gear, including eye and ear protection, when firing.
- If you experience any malfunctions while using the handguard, cease use immediately and inspect for issues.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and the safety is engaged.
- Remove the existing handguard by loosening the barrel nut.
- Align the MFR XS handguard with the barrel nut and press it into place.
- Secure the handguard using the provided Grade 8 military specification fasteners.
- Make sure the antirotation tabs are properly aligned with the receiver.
- Reattach any accessories as needed, ensuring they are firmly secured.

2. Usage

- Always check the handguard and firearm for proper function before each use.
- When firing, maintain a proper grip on the handguard to ensure control of the firearm.
- Adjust any attachments as necessary for comfort and performance.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations.
- If the handguard is damaged or no longer usable, consider recycling the aluminum material where facilities exist.
- Do not dispose of the handguard in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MFR XS Free Float MLOK Handguard, please contact the manufacturer or your local dealer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MFR XS Free Float MLOK Handguard. Remember to always prioritize safety and compliance with local laws.
