

# CZ 455 PIACTINNY SCOPE RAILS WITH BUBBLE LEVEL - AREA 419

## CZ 455 15 MOA SCOPE RAIL W/LEVEL

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

### Eliminates CZ Scope Shifting

When designing the Area 419 CZ 455 Picatinny Scope Rail, company engineers wanted to eliminate the known issue of CZ 455 scope bases that shift position over time. To solve this problem, the company produces a single-piece design with several unique elements. Unlike the standard dovetail/setscrew design, the Area 419 CZ 455 Picatinny Scope Rail slides into the standard dovetail to be clamped down with a consistent force along the entire length of the rail mount. This enhances the strength with which the rail is mounted into place, ensuring that it won't come loose with correct installation. Machined from 7075 aluminum Matte-black finish Fits all Picatinny-style attachments In addition, the Area 419 CZ 455 Picatinny Scope Rail also includes a built-in bubble level located at the rear of the base. The company recommends torquing the rail to 22 inch-pounds of force.

### Attributes

- Name: [AREA 419 CZ 455 15 MOA SCOPE RAIL W/LEVEL](#)
- Manufacturer: [AREA 419](#)
- Product no.: 100029610
- Mfr. No.: 419-ISR-CZ455-1
- Colour: Matte Black
- Elevation: 15 MOA
- Material: Aluminum
- Model: 455
- Number of Bases: 1-Piece
- Style: Picatinny
- Weapon type: CZ
- Delivery weight: 0.07kg
- Shipping height: 25mm
- Shipping width: 25mm
- Shipping length: 216mm
- UPC: 853675008099

# Safety Instruction Guide for CZ 455 Picatinny Scope Rails with Bubble Level

## Introduction

Thank you for choosing the Area 419 CZ 455 Picatinny Scope Rails with Bubble Level. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Always follow the installation and usage instructions provided in this guide.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Always ensure the firearm is unloaded before installing the scope rail.
  - Use appropriate tools and follow the torque specifications to prevent overtightening.
- **Usage Safety:**
  - Ensure the scope rail is securely attached before using the firearm.
  - Regularly check the bubble level to confirm that the scope is properly aligned.
- **Storage Safety:**
  - Store the product in a cool, dry place away from direct sunlight and moisture.
  - Avoid exposing the product to extreme temperatures or harsh chemicals.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing scope bases from the CZ 455.
- Align the Area 419 Picatinny Scope Rail with the dovetail on the CZ 455.
- Slide the rail into position, ensuring it is seated correctly.
- Use the appropriate torque wrench to tighten the mounting screws to a torque of 22 inchpounds.
- Verify that the rail is securely attached and does not move.

### 2. Usage:

- Attach your Picatinny style scope or accessory to the rail.
- Check the builtin bubble level to ensure proper alignment before taking any shots.
- Regularly inspect the rail and scope attachment for any signs of loosening or wear.

### 3. Maintenance:

- Clean the rail with a soft, dry cloth to remove any dirt or debris.
- Avoid using harsh chemicals or abrasive materials that may damage the finish.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent any hazards.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of the Area 419 CZ 455 Picatinny Scope Rails with Bubble Level, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
