# Safety Instruction Guide for Magpul Explorer Sunglasses

## Introduction

Thank you for choosing the Magpul Explorer Sunglasses. These sunglasses are designed to provide you with excellent protection and comfort while enjoying outdoor activities. This guide provides important safety information to ensure the safe use of your sunglasses in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always inspect your sunglasses before use. Look for any damage or defects that may affect performance.
- Keep sunglasses out of reach of small children to prevent accidental damage or injury.
- Use sunglasses only for their intended purpose. They are designed for eye protection during outdoor activities.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- **UV Protection:** Ensure that your sunglasses provide adequate UV protection. The Magpul Explorer Sunglasses are designed with polarized lenses to reduce glare and enhance visibility.
- **Ballistic Protection:** These sunglasses feature Z87+ ballistic protection. However, they are not a substitute for safety goggles in highrisk environments.
- **Low Profile Temples:** The low profile temples are designed to integrate with overtheear hearing protection. Ensure a proper fit to maintain comfort and effectiveness.
- **AntiSlip Features:** The antislip rubber nose and temple pads help keep the sunglasses securely in place. Adjust them if necessary for a better fit.
- **Lens Care:** Clean lenses with a soft cloth to avoid scratches. Do not use harsh chemicals that may damage the lens coating.

## Instructions for Installation and Usage

### 1. Wearing the Sunglasses:

- Place the sunglasses gently on your face, ensuring that they sit comfortably on your nose and ears.
- Adjust the temples for a secure fit without pinching or discomfort.

### 2. Cleaning and Maintenance:

- Use a microfiber cloth to clean the lenses. Avoid using paper towels or clothing, as they may scratch the lenses.
- Store your sunglasses in a protective case when not in use to prevent damage.

### 3. Storage:

- Keep your sunglasses in a cool, dry place away from direct sunlight when not in use.
- Avoid leaving them in hot environments, such as a closed car, as excessive heat can warp the frame.

### 4. Disposal:

- Dispose of damaged or broken sunglasses responsibly. Follow local regulations for disposing of plastic and other materials.
- Recycle when possible to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding your Magpul Explorer Sunglasses, please refer to the manufacturer's contact point in your region. They can provide assistance and further information regarding safety and product care.

By following these guidelines, you can ensure the safe and effective use of your Magpul Explorer Sunglasses. Enjoy your time outdoors while keeping your eyes protected!
