# Safety Instruction Guide for Hornady Durachrome Die Decapping Pins

## Introduction

Thank you for choosing the Hornady Durachrome Die Decapping Pins. These pins are designed for replacing broken or wornout pins in your Hornady Durachrome dies. This safety instruction guide provides essential information to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand these safety instructions before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage.
- If you notice any damage, discontinue use immediately and replace the product.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the decapping pins only with Hornady Durachrome dies; they are not compatible with New Dimension dies.
- Ensure that the decapping pins are properly secured before use to avoid accidents.
- Wear safety glasses to protect your eyes from potential debris during use.
- Avoid excessive force when using the decapping pins to prevent breakage.
- Do not modify the decapping pins in any way, as this may lead to unsafe conditions.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the old or broken decapping pin from the die.
- Align the new Durachrome decapping pin with the opening in the die.
- Gently push the pin into place until it is securely seated.

### 2. Usage:

- Ensure that the die is securely mounted in your reloading press.
- Insert the case into the die and operate the press according to the manufacturer's instructions.
- Monitor the operation closely to ensure that the decapping pin is functioning correctly.
- If resistance is felt while decapping, stop immediately and check for obstructions.

### 3. PostUse Care:

- After use, clean the decapping pins to remove any residue.
- Store the pins in a dry and safe place, away from moisture and extreme temperatures.

## Disposal Instructions

- Dispose of any broken or wornout decapping pins in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the relevant authorities or the manufacturer's customer service.

By following these guidelines, you can ensure safe and effective use of your Hornady Durachrome Die Decapping Pins. Thank you for prioritizing safety and compliance with EU regulations.
