# Safety Instruction Guide for Hornady Durachrome Die Decapping Pins

## Introduction

Thank you for choosing the Hornady Durachrome Die Decapping Pins. These pins are designed to replace broken or wornout pins in your Hornady Durachrome dies. It is important to follow the safety instructions outlined in this guide to ensure safe and effective use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the decapping pins for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the pins for any purpose other than intended.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the decapping pins only with compatible Hornady Durachrome dies.
- Avoid excessive force when inserting or removing pins to prevent breakage.
- Wear safety glasses when performing decapping operations to protect your eyes from debris.
- Ensure that your workspace is clean and free of obstructions to prevent accidents.
- Do not attempt to modify the pins or use them in a manner not specified by the manufacturer.

## Instructions for Installation and Usage

### 1. Installation of Decapping Pins:

- Remove the old or damaged decapping pin from the die.
- Align the new Durachrome decapping pin with the hole in the die.
- Gently push the pin into place until it is securely fitted.

### 2. Using the Decapping Pins:

- Place the cartridge case in the die.
- Operate the press according to the manufacturer's instructions to decap the cartridge.
- After completing the decapping process, remove the cartridge case from the die.

### 3. PostUse Care:

- Clean the decapping pins after each use to remove any debris.
- Store the pins in a safe place to prevent damage.

## Disposal Instructions

- Dispose of any broken or wornout decapping pins in accordance with local waste disposal regulations.
- Do not dispose of the pins in regular household waste. Check if your local recycling program accepts metal products.

## **Contact Information for Further Support**

For safety inquiries or further support, please refer to the manufacturer's contact details provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority.
