Safety Instruction Guide for CUSTOM GRADE FULL LENGTH HANDGUN SIZING DIES 40 S&W, 10MM FULL LENGTH DIE

Introduction

Thank you for choosing the Hornady Custom Grade Full Length Sizing Die. This product is designed to enhance your reloading experience with precision and reliability. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the die in accordance with the manufacturer's instructions.
- Keep the die out of reach of children and unauthorized users.
- Inspect the die for any signs of damage or wear before each use.
- Store the die in a safe, dry place when not in use.
- Do not use the die for purposes other than intended.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure you are wearing appropriate safety gear, including safety glasses and gloves, while using the die.
- Always work in a wellventilated area to avoid inhalation of dust or fumes.
- Be aware of your surroundings and ensure that the workspace is free of clutter and hazards.
- Do not exceed the recommended load specifications for your reloading equipment.
- Avoid using excessive force when adjusting the die to prevent damage or personal injury.
- Be cautious when handling reloaded ammunition, as it can be hazardous if not done correctly.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Remove any existing dies from the press.
- Carefully thread the Custom Grade Full Length Sizing Die into the press until it is snug but not overly tight.
- Adjust the die to the desired position according to the reloading manual's specifications.

2. Usage:

- Prepare your brass cases by cleaning and inspecting them for damage.
- Place the brass case into the shell holder of the reloading press.
- Raise the ram of the press to engage the die with the case.
- Apply a steady and even force to resize the case.
- Once the resizing is complete, lower the ram and remove the resized case.
- Repeat the process for all cases you wish to resize, ensuring to check each case for proper sizing.

Disposal Instructions

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Do not dispose of the die in regular household waste; check for recycling options or hazardous waste

disposal facilities.

- Ensure that any packaging materials are disposed of responsibly.

Contact Information for Further Support

For any safety inquiries or support regarding the Hornady Custom Grade Full Length Sizing Die, please reach out to the designated EU contact point provided by the manufacturer.

Thank you for your attention to these safety instructions. By following them, you can ensure a safe and enjoyable reloading experience.
