# FTX Custom Bullet Seating Stems Safety Instructions

## Introduction

Thank you for choosing the FTX Custom Bullet Seating Stems, designed specifically for use with Hornady® Custom Grade™ Dies. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow all instructions carefully.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your reloading equipment before using the FTX Custom Bullet Seating Stems.
- Always wear appropriate personal protective equipment, including safety glasses and gloves, when handling reloading components.
- Keep all reloading materials, including bullets and dies, out of reach of children and unauthorized individuals.
- Store the product in a cool, dry place away from direct sunlight and moisture.
- Regularly inspect the seating stems for wear or damage before each use.
- Follow all local, state, and national laws regarding ammunition reloading and use.

## Specific Safety Precautions for Use

- **Compatibility:** This product is designed specifically for Hornady® Custom Grade™ Dies. Do not use with dies from other manufacturers.
- **Bullet Handling:** Handle bullets carefully to avoid damaging the tips or jackets, which can affect performance.
- **Seating Process:** When seating bullets, do so slowly and steadily to ensure proper alignment and avoid damaging the bullets.
- **Workspace:** Ensure your workspace is clean and organized to prevent accidents and misplacement of components.
- **Distractions:** Avoid distractions while reloading to maintain focus and ensure safety.
- **Emergency Procedures:** Familiarize yourself with emergency procedures in case of accidental discharge or other incidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including Hornady® Custom Grade™ Dies and FTX Custom Bullet Seating Stems.
- Ensure your reloading press is set up correctly and securely mounted.

### 2. Installation:

- Remove the existing seating stem from your Hornady® Custom Grade™ Die by unscrewing it counterclockwise.
- Carefully insert the FTX Custom Bullet Seating Stem into the die, ensuring it is seated properly.
- Tighten the seating stem by turning it clockwise until secure, but do not overtighten.

### 3. Usage:

- Place a cartridge case into the die and ensure it is properly aligned.

- Insert the bullet into the case mouth, ensuring it is seated straight.
- Operate the reloading press to seat the bullet. Monitor the process closely to prevent any misalignment or damage.
- After seating, inspect the cartridge for proper bullet seating depth and alignment.

#### **4. PostUse Care:**

- After reloading, clean the seating stem and die to remove any residue.
- Store the FTX Custom Bullet Seating Stems in a protective case or original packaging to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste. Follow local guidelines for hazardous waste disposal.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the FTX Custom Bullet Seating Stems, please refer to the manufacturer's website or contact their customer support for assistance. Always ensure that you are obtaining information from authorized sources.

By following these guidelines, you can safely enjoy the benefits of the FTX Custom Bullet Seating Stems. Thank you for prioritizing safety in your reloading practices.
