FTX CUSTOM BULLET SEATING STEMS 35 CALIBER 200GR FTX SEATING STEM Safety Instruction Guide

Introduction

Thank you for choosing the FTX Custom Bullet Seating Stems designed specifically for Hornady® Custom Grade™ Dies. This guide provides essential safety instructions and guidelines to ensure safe handling and use of this product. Please read this document carefully before using the product.

General Safety Guidelines

- Always handle the FTX Custom Bullet Seating Stems with care to avoid injury.
- Ensure that the product is used only for its intended purpose: seating FTX bullets.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition and reloading components.

Specific Safety Precautions for Use

- Use only with Hornady® Custom Grade™ Dies; this product is not compatible with other manufacturers' dies.
- Ensure that you are wearing appropriate safety gear, including safety glasses and gloves, while using this product.
- Do not exceed the recommended load specifications for the bullets being seated.
- Avoid using excessive force when seating bullets to prevent damaging the bullets or the seating stem.
- If you experience any difficulties during use, stop immediately and consult the manufacturer for assistance.

Instructions for Installation and Usage

1. Installation

- Ensure your workspace is clean and free of any distractions.
- Select the appropriate Hornady® Custom Grade™ Die for your reloading setup.
- Carefully remove the existing seating stem from the die by unscrewing it in a counterclockwise direction.
- Insert the FTX Custom Bullet Seating Stem into the die and tighten it securely in a clockwise direction.

2. Usage

- Adjust the die to your desired seating depth according to the specifications of your reloading project.
- Place the bullet into the die and ensure it is properly aligned.
- Slowly and gently apply pressure to seat the bullet. Do not apply excessive force.
- After seating, visually inspect the bullet to ensure it is seated correctly and without damage.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Contact local waste management authorities

for proper disposal methods.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please reach out to your local authorities or the relevant EU contact point for assistance. Regularly check for updates on product safety and recalls on the EU's Safety Gate platform.

By following these safety instructions, you can ensure a safe and effective experience with your FTX Custom Bullet Seating Stems. Thank you for your attention to these important guidelines.
